
Disassembly and Storage

Remove all decorations.

Disassemble the tree in reverse order of assembly.

Suggest to store the tree in its original carton box or in storage bag and keep in a cool dry place.

Caution

To be assembled by or under the supervision of an adult.

Keep plastic bags out of reach of children.

Keep away from fire or hot temperatures. Do not light a candle on or near the tree. Do not leave lighted electric cords unattended.

Do not overload with heavy ornaments and/or too many decorations.

Place the tree on an even surface to ensure stability.

This tree is intended for indoor use only.

Keep this information for future reference.

Assembly Instruction

6ft Pre-Lit Flocked Pencil Pine Artificial Christmas Tree with 300 Warm White Lights
