48 - 72 Hours

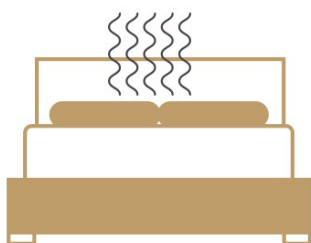

07

**Mattress**  
will rebound

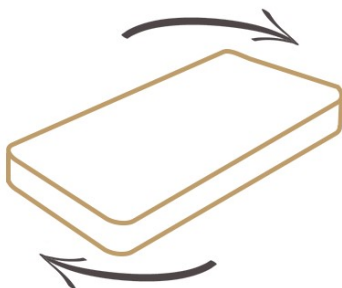

08

A newness smell is normal and will fade after few days in a well-ventilated room

09

Enjoy restful  
nights sleep

In order to prevent any impression on the body, you can rotate your mattress. We advise you rotate every 3 to 6 months. This will help keep the mattress in shape and stop it from losing its comfort.
