Voltage: 120VAC

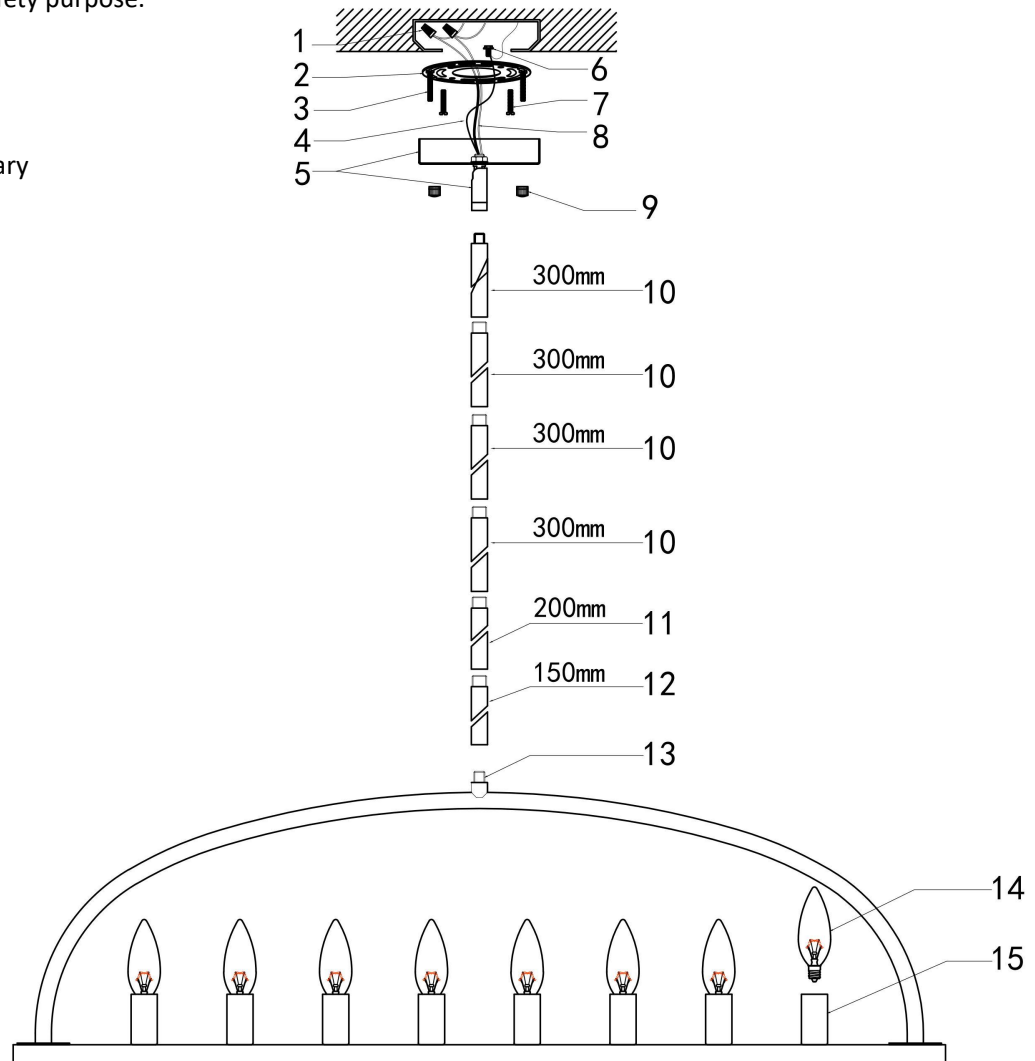

Wattage: 40W

Package includes

1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

A. Thread the fixture's main wire (8) and ground wire (4) through the down rod (10-12), the ceiling plate+swivel joint (5). Then secure them separately on the threaded tube (13), then firmly fix the swivel joint on the ceiling plate to the down rod (10).

B. Secure the mounting plate (2) to the junction box using the screws (7).

C. Use wiring caps (1) to connect the live wire and neutral wire of the fixture's main wire (8) to the corresponding reserved wires in the ceiling. Be careful not to expose the wire to prevent leakage. Fix the fixture's ground wire (4) and the ground wire to the mounting plate (2) using the green screw (6).

D. Pass the ceiling plate (5) over the screws (3), then tighten the cap nuts (9) to secure the fixture.

E. Install the light bulb (14) into the lamp socket (15).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
