## Before You Start

Please read all instructions carefully.

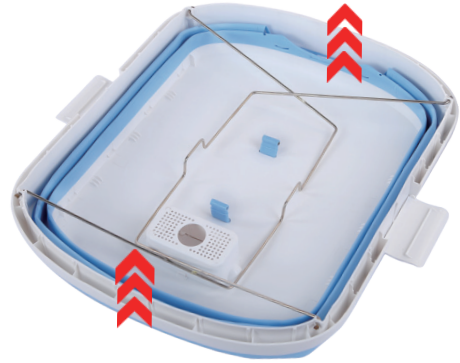

- 1 This litter box is recommended for cats within 10 kg. Cats of different breeds vary in size. Please pay attention to the size of the product before purchase.
- 2 The litter box is suitable for aggregating cat litter, such as tofu cat litter, bentonite cat litter and crystal cat litter
- 3 When use the box for the first time, you can mix with used litter to make the cat adapt more quickly
- 4 The litter box is for pets. Do not sit on the litter box.
- 5 Do not put the box under direct sunlight or high temperature places in case of deformation and fading.
- 6 In order to avoid cross-infection of cats, after unpacking and using the box, we are not be able to return or replace the box, unless the quality problem.

# Installation Steps

## Step 1 / Expand the litter box

- ①. Open the 2 side clips and flip the lid over

- ②. Hold the middle with one hand and stretch and extend from the side with the other hand to let the lid unfold

## Step 2 / Install the support frame

- ①. Pay attention to pull up and stretch the whole with both hands, and lift up the left and right sides

- ②. Push to the inside snap position, as indicated by the arrow

## Step 3 / Install transparent door

- ①. Please open the clips on both sides first, align the snap positions on both sides and install them downward

- ②. First snap the top of the buckle, hold the cover with your right hand, and enter the door with your left hand for matching and positioning, so as to quickly complete the assembly

## Step 4/ Pour cat litter into the box and use

- ①. No restriction on the type of cat litter, just pour in the right amount of cat litter (6L~13L)

- ②. Realign the lid with the bottom, lock the clip and you are ready to use

## Step 5/ Fold and carry

- ①. When you need to fold and carry, please remove the transparent door first, then remove the support frame

- ②. Finally, use both hands to press down hard at the same time to finish folding

## Precautions for use

1. Recommended for cats within ( within 10kg ), please note the size of the product before purchase.
2. When using for the first time, it can be mixed with used cat litter to make cats adapt faster.
3. Do not place in direct sunlight or high temperature to prevent deformation and fading
4. To avoid cross-contamination of cats, if you are returning the product for reasons other than quality, please clean the product and keep it in new condition before contacting us for a return

## After Sales Policy

Any time there are any problems, please contact us directly through the purchase order background, and tell us what you want us to help you solve the problem. You will not suffer any losses.
