Calloway Table Lamp

6000-0429

Overall: 33"h x 19"w x 10"d

Finish: Light Mica/Silver Leaf

Materials: Mica/Wood

Availability: In Stock

Item Weight: 13 lb

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

Being able to take an elemental material like mica and turn it into a chic stylistic statement is one of the strengths of our design team. Take our Calloway Table Lamp as an example. The body of this remarkable creation is covered in mica that has been treated to a light mica finish. The natural material is surrounded by a wood frame in a silver leaf finish that adds tremendous sophistication to the composition. A mica finial fastens the off-white shantung shade to the piece to serve as a crowning touch.
