Assembly Instruction

MADE IN CHINA

tcp-N5

! ATTENTION! Read the safety and assembly instructions carefully, in order to avoid the risk of injury or damaging the product.

Keep small parts, plastic bags and other packaging out of the reach of children. Pay attention especially when unpacking your item. Danger of suffocation! Never modify the product! If not, the product may be unsafe or even dangerous. Unpack all the parts and elements of the set and place the components on the top of the carton or other clean surface. This protects your new product. Please also pay attention not to scratch the floor while working with tools. Make sure that this product is fully assembled before use, as shown in the illustration.
