Read all instructions before starting assembly.

Step#1 Assemble the desk upside down on a flat, plain and soft surface.

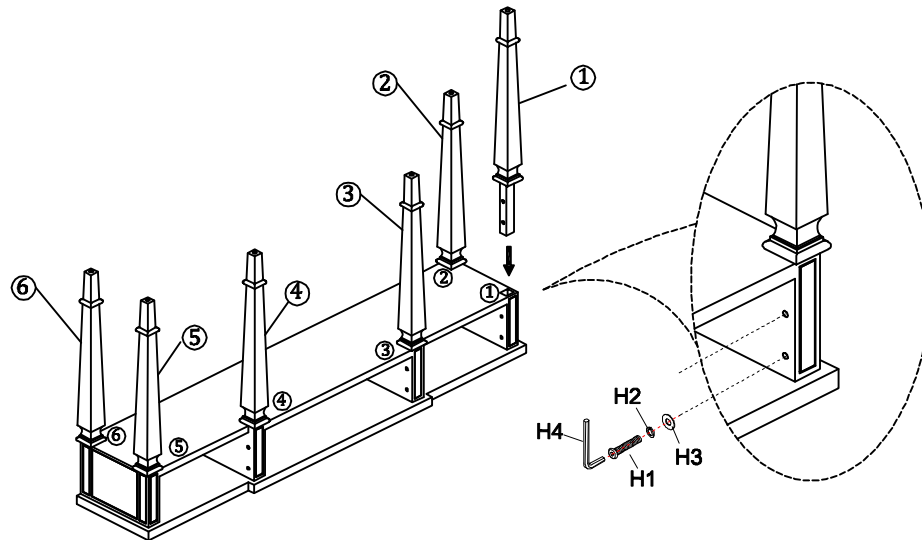

Step#2 Remove the drawer from box with drawer (A) as shown below.

Pull down the locks on the side drawer guides, then pull out the drawer.

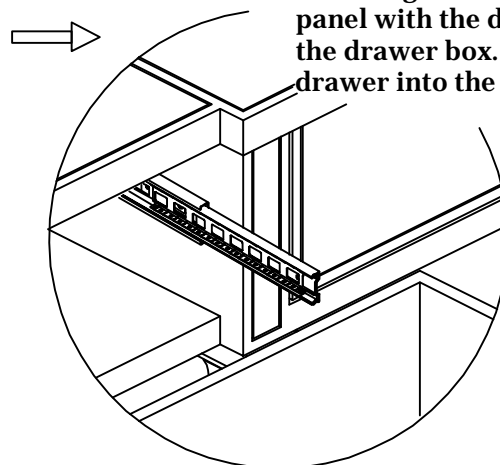

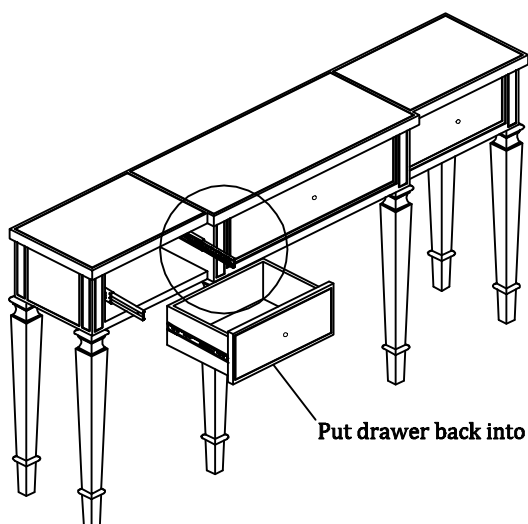

Step#3

- 1) Turn the desk on its upright position.
- 2) Insert each leg into the holes on the bottom of desk following the label "1,2,3,4,5,6" on the each leg and bottom of desk accordingly and using bolts (H1), lock washers (H2) and flat washers (H3) as shown below. Securely tighten all bolts with Allen wrench (H4).

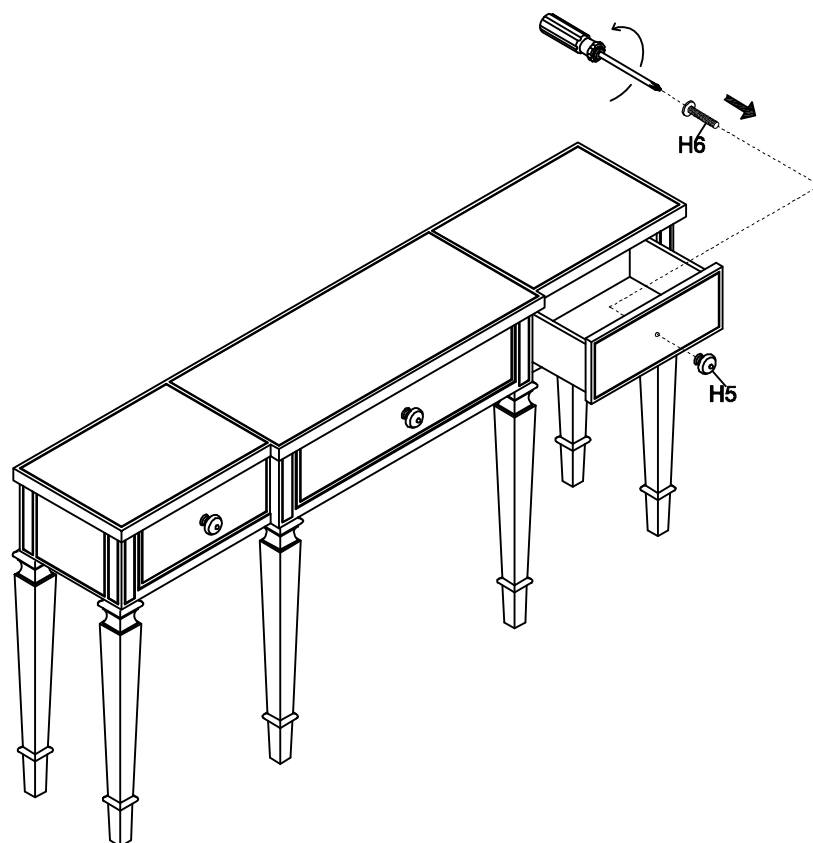

Step#4

- 1) Turn the assembled desk to an upright position.
- 2) Put the drawers back into the boxes as shown below.
- 3) Assembly is complete. **Failure to follow these instructions may cause the bolts to misalign during assembly.**

Note: Pull the center slide to the front of the drawer guide on the drawer box. Two persons hold each drawer evenly and line up the side glide on the drawer side panel with the drawer glide on the drawer box. Then push the drawer into the drawer box.

Step#5 Attach the knobs(H5) to the front of drawers using screws(H6) as shown below.
