15

If you need that #T06 is installed on the left, then the borad #2 also can be placed on the left。

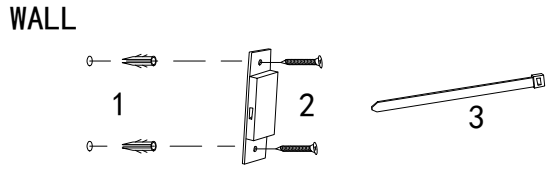

16

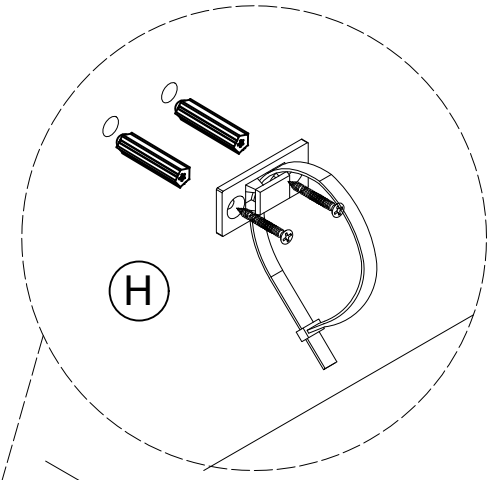

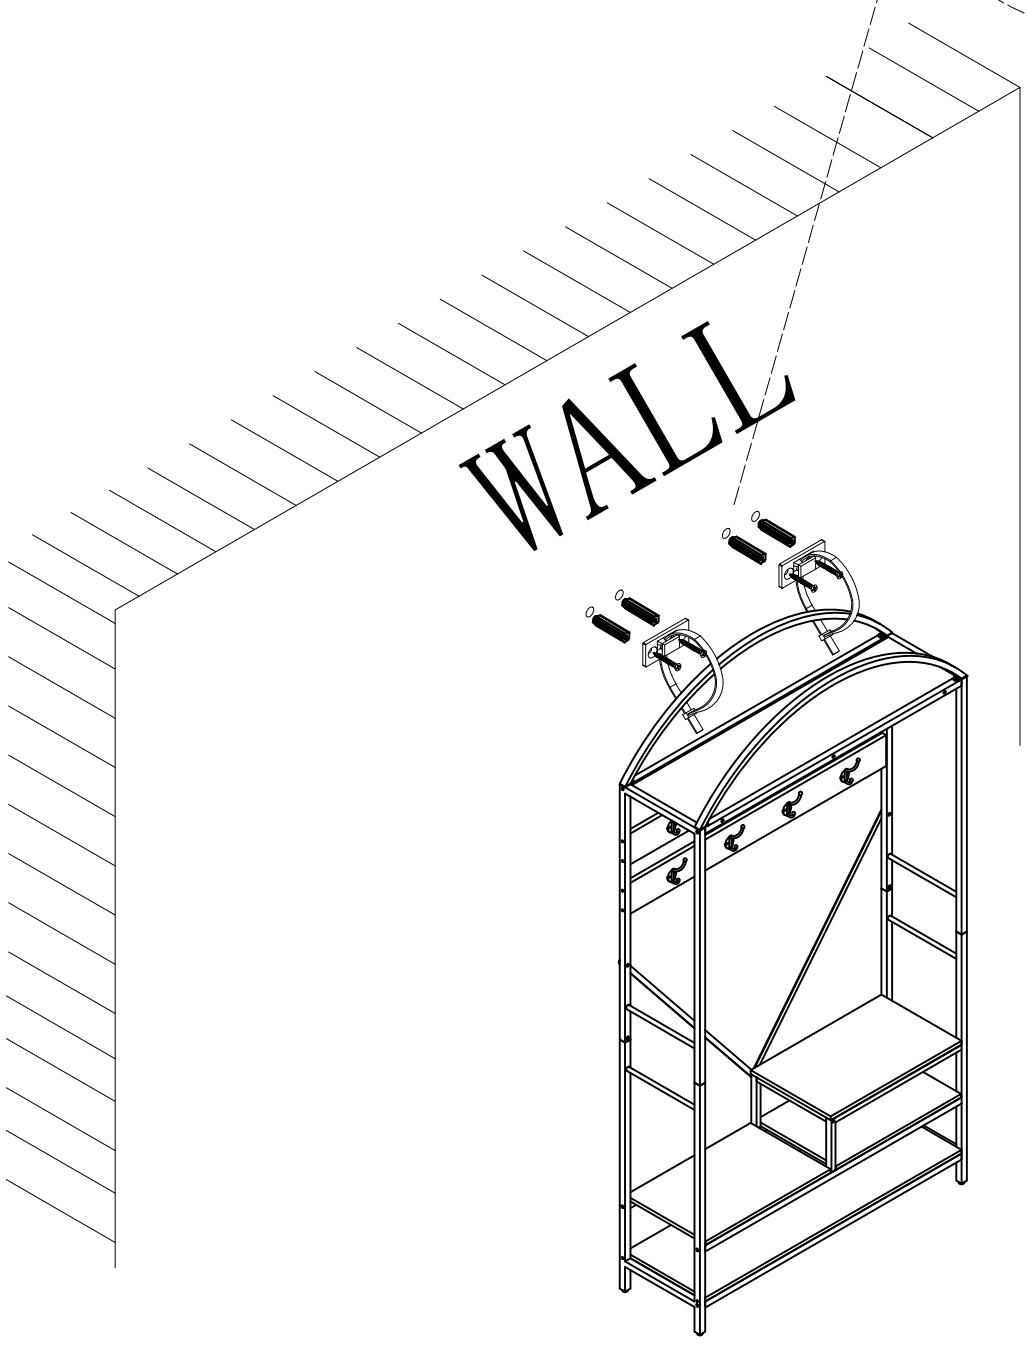

1.Drive the expansion screw into the appropriate position on the wall

2.Use long screws to install one of the plastic buckle seats in the appropriate position on the wall.

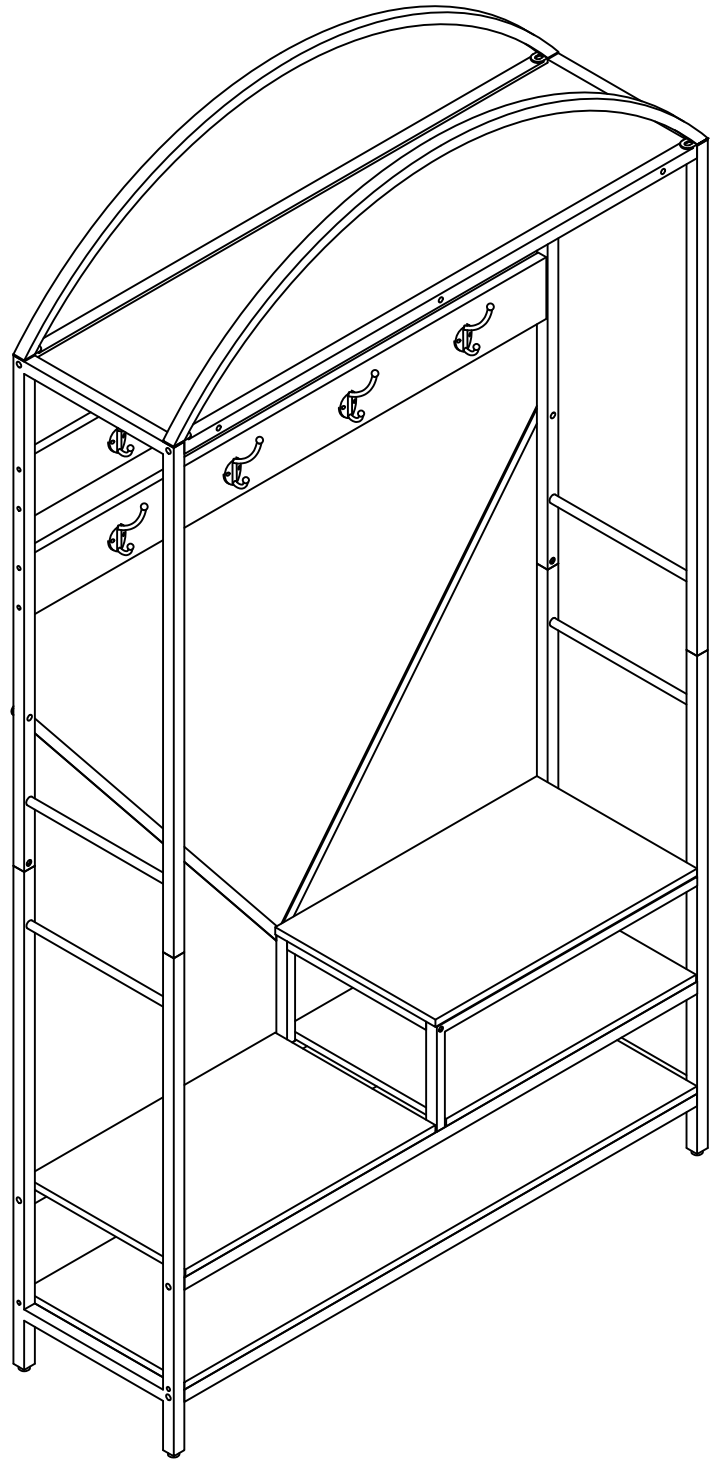

3.Use short screws to install the other plastic buckle in the appropriate position on the cabinet.

17 Finished assembly
