NOTES

- You need a helper to finish the installation.
- Don't over-tighten the screws until all the parts are in place. Failure to follow the instructions may cause misalignment of the screws.
- DO NOT let children climb the product.
- To avoid suffocation danger, keep small parts and package materials away from children.
- Adult assembly required. Keep children away during the installation.
- Children should not use it without parents' supervision. You could use "corner guard" to protect children from getting hurt by the product's edges.
- If any parts were missing, broken or wrong delivered, contact us immediately via Service@Eclatara.shop, we are here to help you.
