

CORNER RACK

SAFETY & WARNINGS

Warning

- Read each step carefully before starting.
- Remove all fittings from the plastic bags and separate them into their groups.
- During assembly children should be kept away from the product due to possible risk of injury.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the product, this could cause damage. Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- We do not recommend the use of power drill/drivers for inserting screws, as this could damage the unit. Only use hand screwdrivers.
- Parts of the assembly will be easier with 2 people.
- Do not use this item if any components are missing or damaged.
- Dispose of all packaging carefully and responsibly.

Assembly Tips

- Please read the instruction manual carefully to understand the matters needing attention in the process of installation and maintenance.
- Strictly follow the assembly instructions.
- Carefully check whether the parts in the box are intact.
- Assemble on the box so as not to damage the product and room floor.
- The use of mismatched parts may cause damage to the product. Please confirm the model of various parts before assembly.

INSTALLATION

Step 1

Lay all components on a flat surface.

Step 2

Install four layers of boards on one side of the stand.

Step 3

Screw through the steel frame in to the mounting plate.

Step 4

Install the other side of the stand to the boards.

Step 5

Install the top layer, connect the top layer to the hinge, then connect to the other side.

Step 6

Press the plug into the top tube.

CLEANING & CARE

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Regularly check all fastenings to ensure that they properly tightened.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
