Dual Roof BBQ Grill Gazebo

IMPORTANT SAFEGUARDS

When using outdoor gazebo, basic safety precautions should always be followed to reduce the risk of damaging gazebo, and/or injury to persons, including the following:

1. Read all instructions
2. **Remove the canopy top before the snow-storm, wind-storm or thunder-storm to protect gazebo from extreme weather, or store all parts into indoor to keep it live last**
3. Don't stay under the gazebo when it's in extreme weather
4. To keep it from blowing away, tie it with bungee cords or screw it's legs to deck rails, or fix it with sandbag
5. Please periodically check all fittings are re-tightened as necessary
6. Please do not drag or pull your gazebo as this may damage it
7. To clean, wipe with a damp cloth, do not use bleach, acid solvents or abrasive cleaners for frame parts. Try with a dry clean soft cloth.
8. In the event the metal frame is scratched exposing bare metal, treat with a rust repelling paint to avoid rusting.

Read these instructions before you start

1. Please check that all parts are present before you start the assembly of your gazebo, as once assembled, the gazebo is exempt from our home approval policy.
2. For ease and speed of assembly, we recommend that before you commence each step of the assembly, you identify all the parts required for that step.
3. For large items, please ensure that you have sufficient space and people to assemble your product safely.
4. We recommend that, where possible, all items are assembled near the area in which they will be placed in use, to avoid moving the product unnecessarily once assembled.
