E		Wood Leg (with Gasket)	4
F		Arm Pillow	1

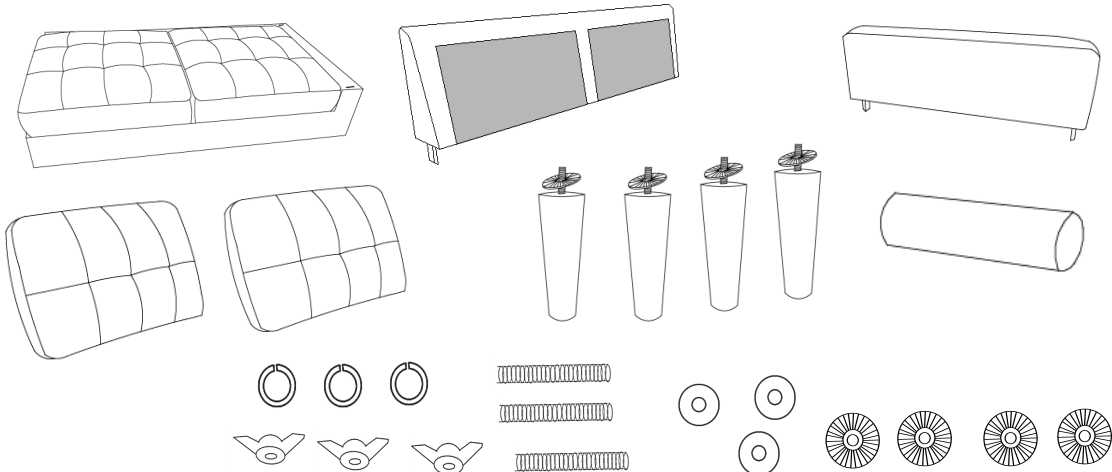

Hardware

Label	Picture	Description	QTY
①		Gasket	4
②		Double-threaded Bolt (M8*50mm)	3
③		Washer	3

④		Spring Washer	3
⑤		Wing Nut	3

Assembly Preparation

Before
Beginning
Assembly:

- 
 - Read instructions, cover to cover-

 - Have 2 adults on hand for assembly-

 - Do not assemble on flooring or carpet-

 - Assemble on a clean non-marring surface (packing foam)-

 - Save all packaging until finished-

Assembly Steps

This Loveseat has multiple parts and may require about 30 minutes to assemble. To give you an overview of the Loveseat parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

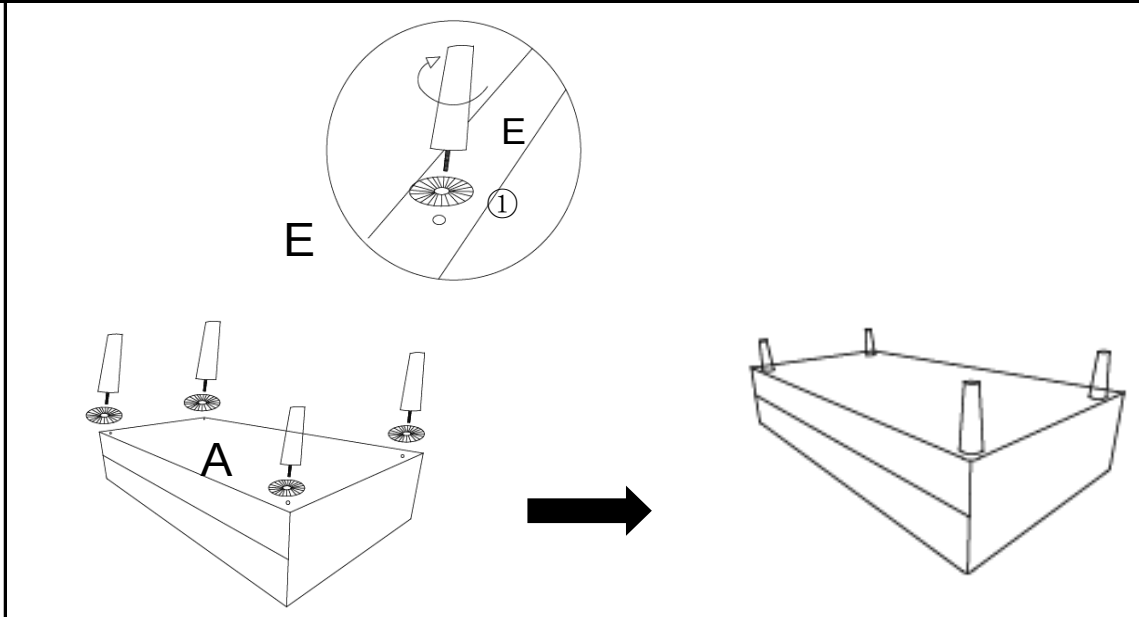

Place the Seat(A) facedown as pictured.

Carefully remove the non-woven cover and take out the Small Box, Backrest(B), Right Arm(C), Back Cushions(D), and Arm Pillow(F).

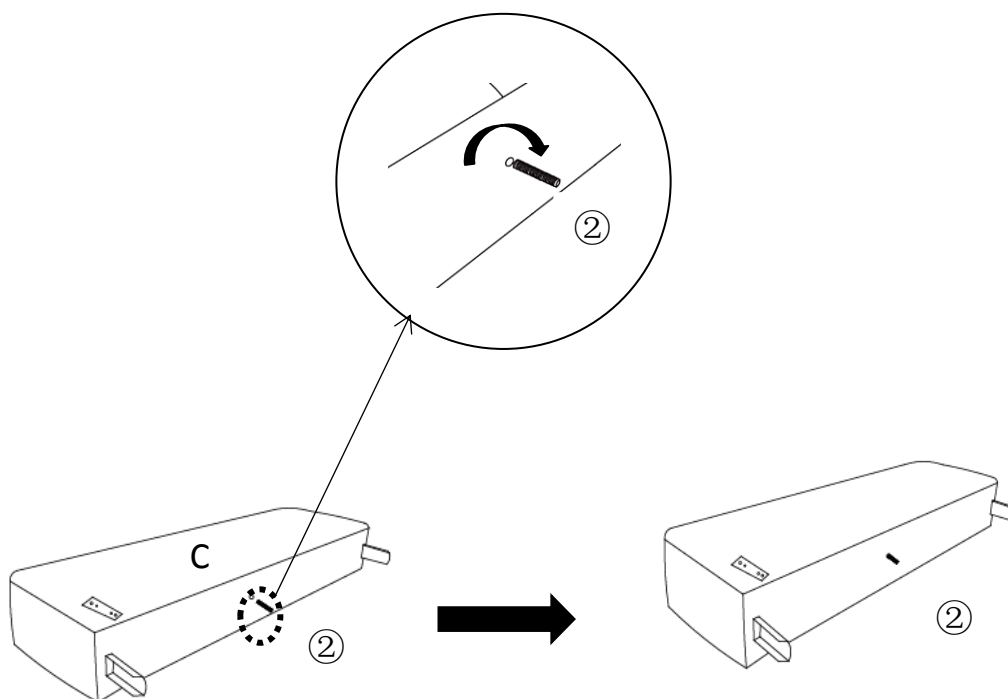

Then open the Small Box and remove the Wood Legs(E), and Hardware.

Step 2

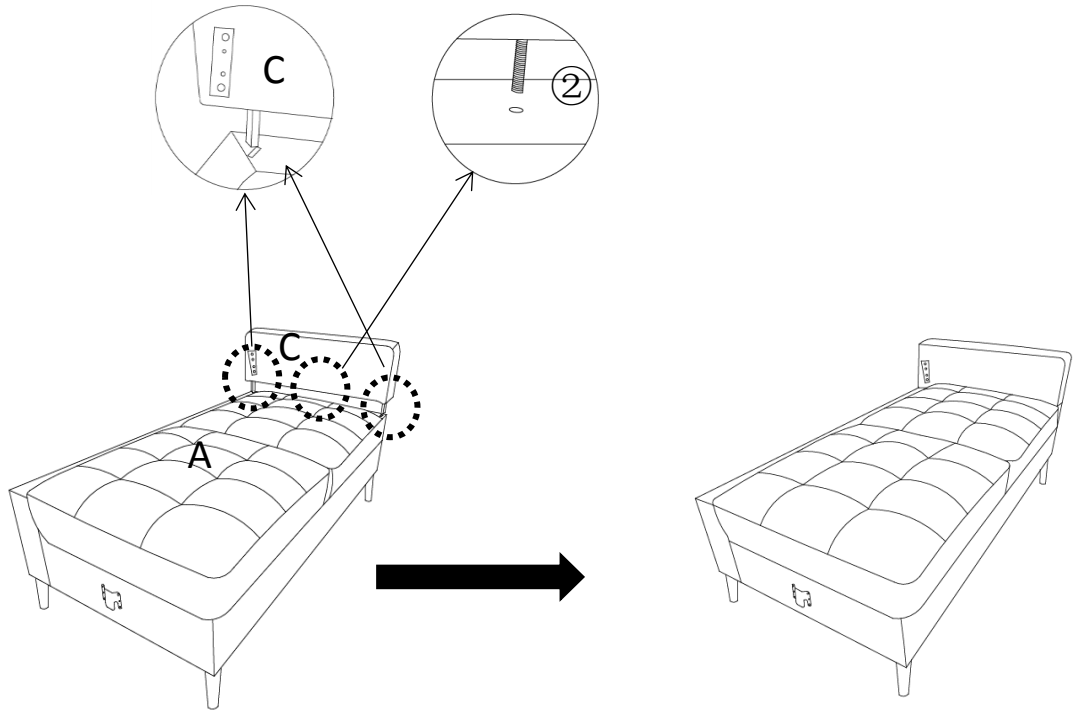

Install the Wood Legs(E) at the bottom of the Seat(A).
Insert threaded stem into the mounting positions at the corners of the Seat(A).
Tighten by turning the Legs clockwise by hand.
Take care of the shape of the Legs and ensure they are in the correct positions.
Note:The use of Gaskets are **OPTIONAL** and are especially useful to help alleviate slight wobbles. Some Legs may need more than one gasket whilst some Legs may not need any.

Step 3

Locate the mounting position under the Right Arm(C), then insert Double-threaded Bolt(②) into the mounting position and tighten by turning it clockwise by hand.

Step 4

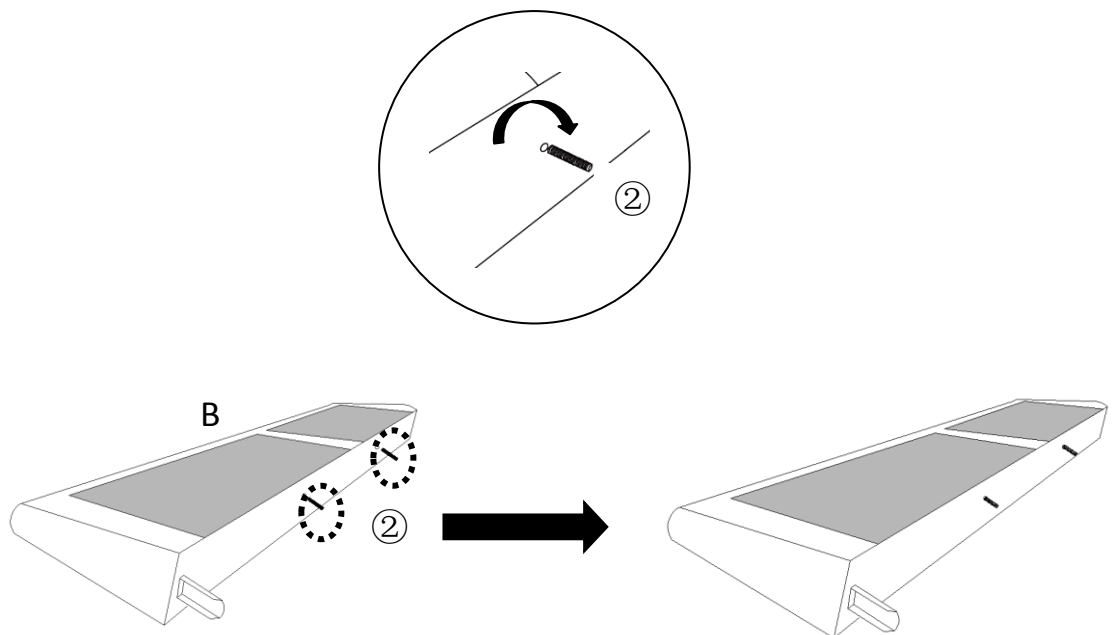

Align Right Arm(C) to the right side of the Seat(A).

Insert bottom two mounting brackets of Right Arm(C) into those on the left side of Seat(A).

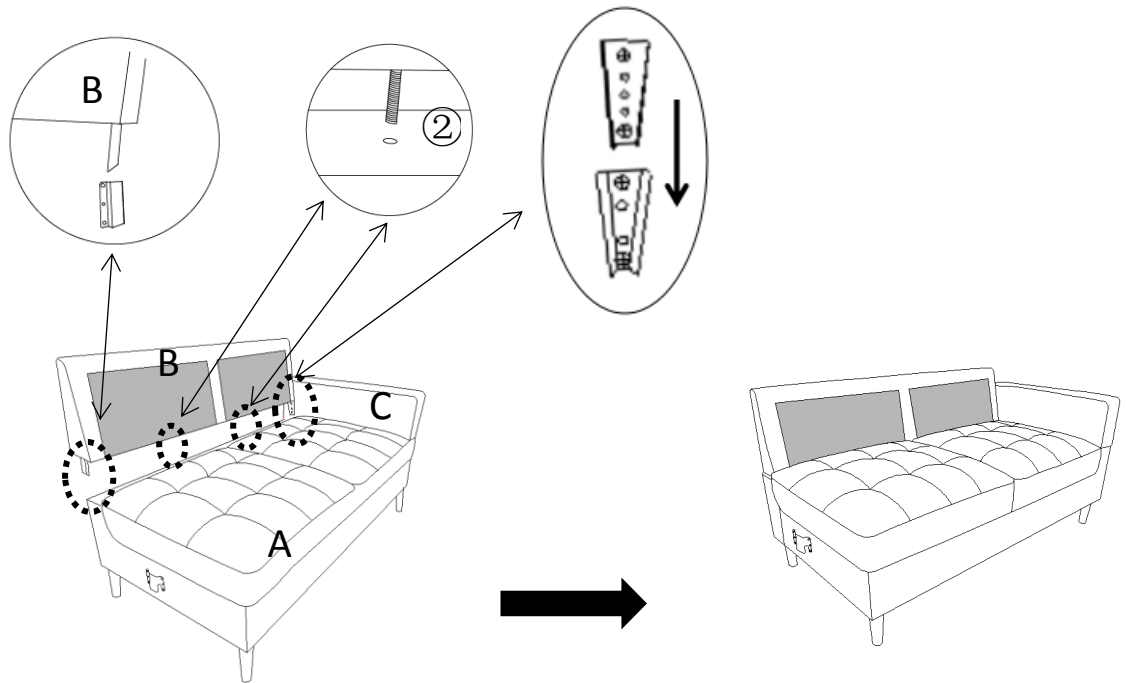

Then slide Right Arm(C) down by hand to make sure it locks into the position as shown in the picture.

Step 5

Locate the mounting positions under the Backrest(B), then insert Double-threaded Bolts(2) into the mounting positions and tighten by turning clockwise by hand.

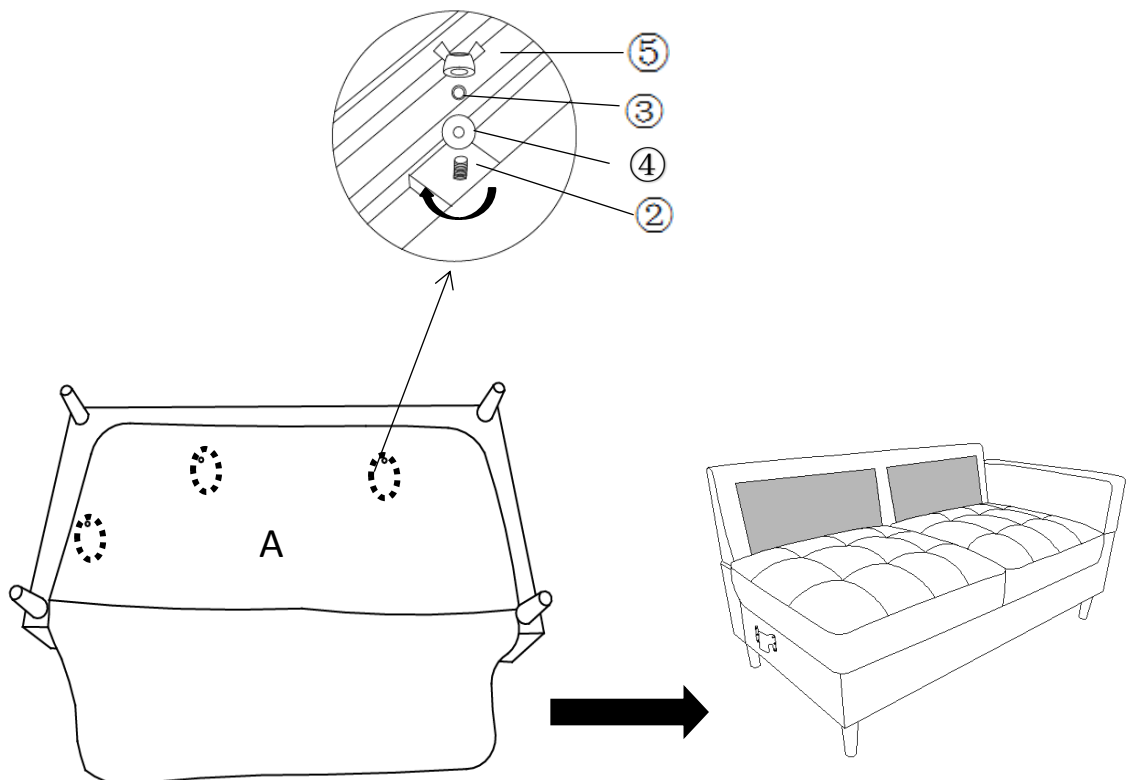

Step 6

Install the Backrest(B) on the back side of Seat(A).

Align the mounting bracket on the right side of the Backrest(B) with the one on Right Arm(C), while aligning the mounting brackets on bottom of Backrest(B) and Seat(A). Then slide Backrest(B) downward by hand pressing gently but firmly downwards until they lock into place.

Step 7

Place the Seat(A) facedown.
 You can see Double-threaded Bolts(②) as pictured above.
 Then place Washers(④), Spring Washers(③) and Wing Nuts(⑤) onto the Double-threaded Bolts(②), and tighten Wing Nuts(⑤) fully by turning them clockwise by hand in a sequential manner.

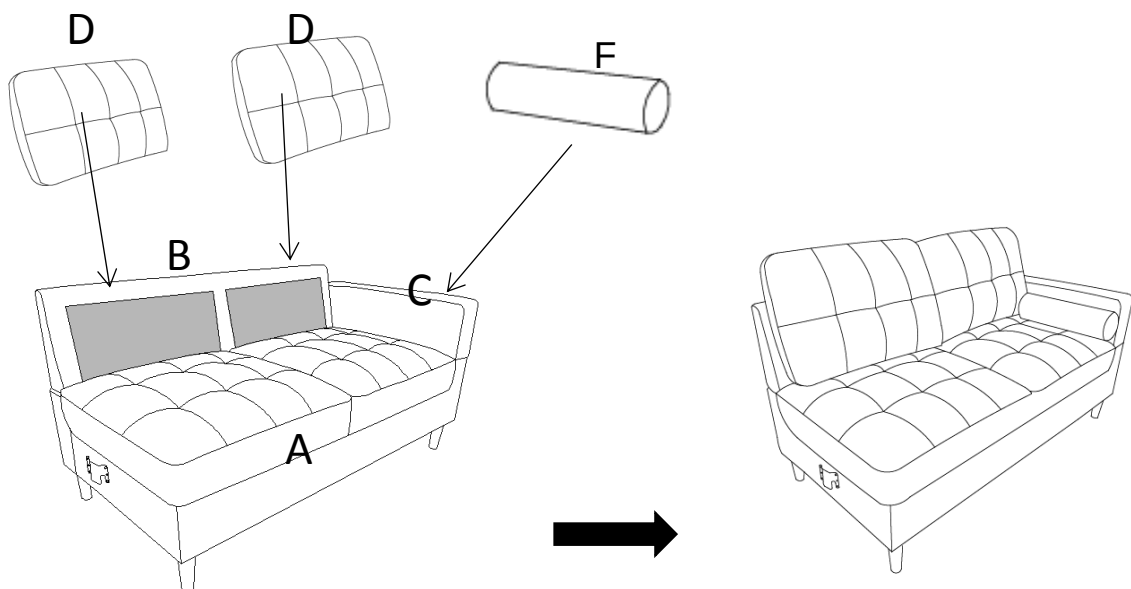

Step 8

Tear off

Tear off the covering fabric on the velcro of the Back Cushions(D).

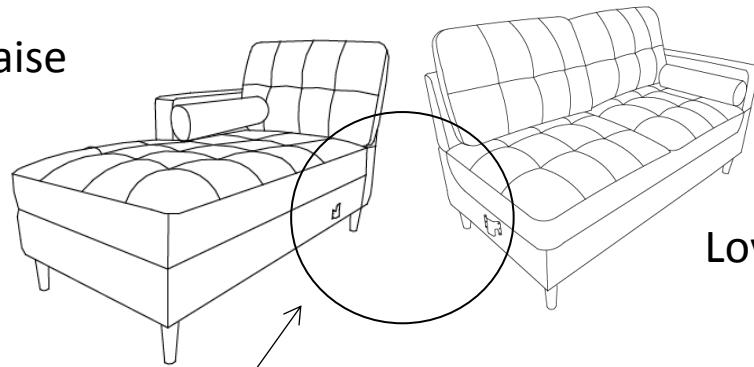

Step 9

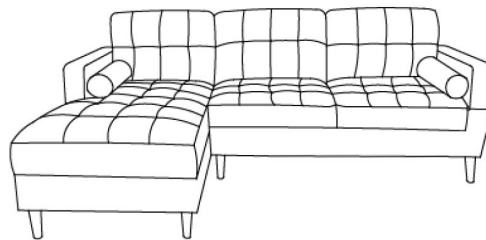

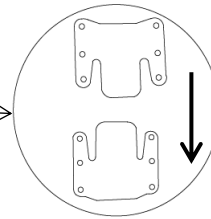

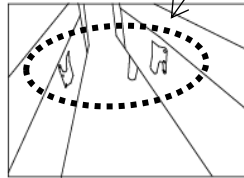

Place the Back Cushions(D) on Backrest(B) and Arm Pillow(F) on Right Arm(C).

Step 10

Chaise

Loveseat

Connect the Chaise and Loveseat by intersecting the metal brackets. Make sure all parts are connected and securely locked into position. Your Sofa Set is ready for use.

This Sofa Set can only be used on a flat, level surface.

Care & Maintenance

-   Do not put hot items directly on furniture surface
 -   Do not clean furniture with harsh cleansers or polish.
 -   Do not place furniture under direct sunlight.
 -   Do not place furniture near heating or cooling vents.
 -   Do not write on furniture without a padded barrier to protect the surface.
 -   Do not place furniture outside . For indoor use only .
 -   Not for commercial use. For residential use only .
 -   Stains may be removed with mild soap solution and damp cloth.
 -   Children should not climb or jump on the furniture.
-
-   Dust and pick-up spills using a clean, non-colored, lint-free cloth .

Questions & Answers about Proposition 65

• What is Proposition 65?

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released into the environment. By requiring that this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

Proposition 65 also prohibits California businesses from knowingly discharging significant amounts of listed chemicals into sources of drinking water.

Proposition 65 requires California to publish a list of chemicals known to cause cancer, birth defects or other reproductive harm. This list, which must be updated at least once a year, has grown to include approximately 900 chemicals since it was first published in 1987.

• What types of chemicals are on the Proposition 65 list?

The list contains a wide range of naturally occurring and synthetic chemicals that include additives or ingredients in pesticides, common household products, food, drugs, dyes, or solvents. Listed chemicals may also be used in manufacturing and construction, or they may be byproducts of chemical processes, such as motor vehicle exhaust.

• What does a warning mean?

If a warning is placed on a product label or posted or distributed at a workplace, a business, or in rental housing, the business issuing the warning is aware or believes that it is exposing individuals to one or more listed chemicals.

By law, a warning must be given for listed chemicals unless the exposure is low enough to pose no significant risk of cancer or is significantly below levels observed to cause birth defects or other reproductive harm.

• Where can I get more information on Proposition 65?

If you have specific questions on the administration or implementation of Proposition 65, you can contact OEHHA's Proposition 65 program at P65.Questions@oehha.ca.gov, or by phone at (916) 445-6900.
