

| Step 1:

Attach the Backrests to the Seat Base

Slide the Backrest Female Brackets onto the Backrest Male Brackets. Push until you hear a click on both sides. This will indicate that each backrest is secured.

| Step 3:

Connect the Power Cables

End Seats: Plug in the Power Adapter Cable to the Power Adapter. Connect the Power Adapter to the seat base.
Middle Seat: Plug in the Headrest Light Power Cable to seat base Plug in all four cables to a power source.

| Step 2:

Connect the Power Headrest Cables

Connect each Powered Headrest Female Cable to each Powered Headrest Male cable.

| Step 4:

Attach the Tray Tables

Open the in-arm storages to find your Tray Tables. Place each Tray Table into an accessory mount.

Fragile Spots

Be careful, do not grip at fragile spots where they can be damaged easily.

Back rest

Arm rest

1.USB charging port

A USB port is included in this power recliner switch.

2.TYPE-C charging port

A Type-C port is included in this power recliner switch.

3.LED button (Adjustment of light color button)

This button controls the surrounding base lighting and the illuminated cup holder on each armrest. 7 colors can be switched after pressing the button continuously for 3-5 seconds.

4.Power recline

Long press this button and you can adjust your seat to any desired position.

5.Power headrest

A long press on the power headrest button makes it easy to adjust to many different positions, reducing neck and shoulder strain.

Moving

Hold the side and bottom of sofa while moving.
