DIMENSIONS: 42.75h x 42.75w x 2d

MATERIAL: Iron/Recycled Glass/Glass

FINISH: Gold Leaf/Mirror

FREIGHT INFORMATION: Furniture Carrier (FC)

ITEM WT: 47

PKG WT: 86

FEATURES:

The namesake town of our Calais Mirror has long been known for its lace, which makes the open-weave artistry we have achieved on this decorative mirror a fitting tribute. Threaded between the metal rings treated to a gold leaf finish, the hollow recycled glass balls bring this piece the feel of a doily with a luminosity that will glint in a room whether the lights are switched on or not.
