Rechargeable Fabric Shaver
and Lint Roller

LR-900 Retro Edition
Fabric Shaver & Lint Roller

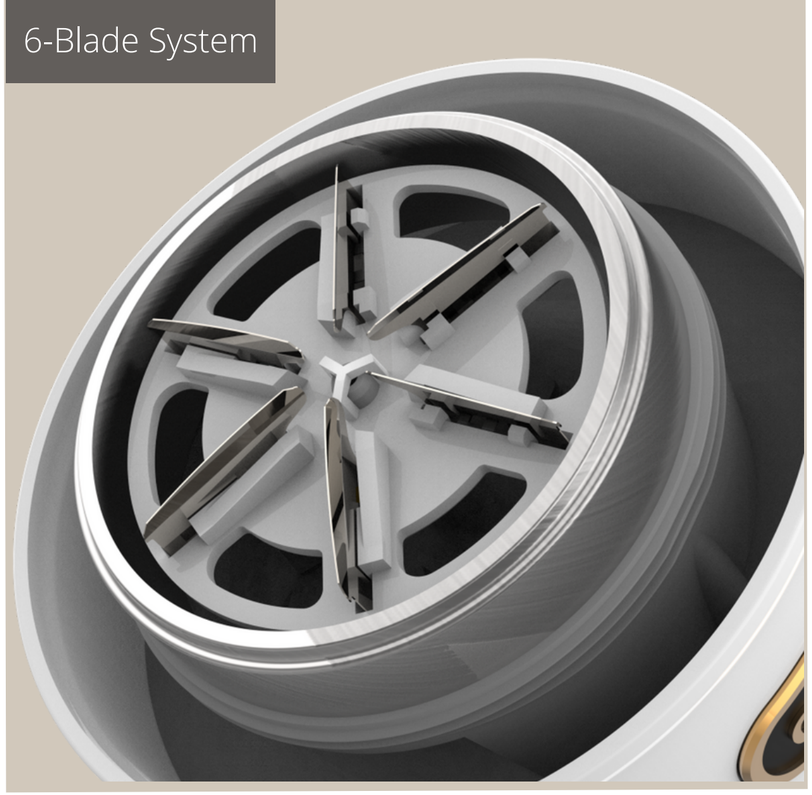

The SALAV LR-900 Retro Edition Fabric Shaver and Lint Roller has a 6-blade system that effectively but gently remove pills and other unwanted fibers from the fabric, leaving it looking smoother and newer. The lint roller is super effective in removing pet hair and other larger debris from the fabrics, as well as touch-ups on clothing and upholstery between washings. Rechargeable and easy to use, it's a perfect addition to any closet!
