

CAUTION! (READ CAREFULLY BEFORE USE)

Let the furniture (or grill/equipment) cool and dry before you put the cover on.
Do not operate your grill/equipment with the cover on it.

Cover or tape any sharp edges before you put the cover on.

Installation method may vary on different type of covers.

We highly recommend removing cushions from covered patio furniture and storing cushions in a dry place

General Installation Steps:(Steps may vary by different cover styles)

1. Clean the patio furniture or grill/equipment/vehicle completely, remove any dirt, dust or leaves.
2. If there is a FRONT(END) sign make sure it's in the correct position, slip the cover over, lower all side panels down.
3. Secure all buckles on furniture/grill/equipment legs(bottom), adjust straps to a suitable length.
4. If there is any zipper/velcro tapes, zip and tape all panels together.
5. Adjust all elastic strings around bottom edge by sliding plastic stoppers to prevent wind blowing in severe-weather days.
6. Patch kits(optional) - The patch kits fix holes and prevent wear damage, it's self-adhesive, does not require ironing.
