

## MUD TABLE ASSEMBLY INSTRUCTIONS

Assemble four legs on inside offrame using bolts and tools provided with the frame holes nearest the ground. To speed up assembly, use the provided driver bit along with a driver tool.

Place table top into frame and resting the bottom of table onto the top of previously installed legs.

Assemble drain and faucet using pictures below as an assembly guide. FAUCET AND HOSE CONNECTIONS MUST BE TIGHT TO PREVENT LEAKING.

Enjoy your new - and great Mud Table!

Use water only to clean surfaces for a long lasting bright appearance.

Call Factory Select at 800-594-9346 for product support.
