Before you begin...

1. Please check in your desired room of use.
2. Unpack all boxes and lay out each component on the floor.
3. Check your product for any damage that may be immediately obvious. If damage is identified, please contact your retailer.
4. Please read through these instructions thoroughly to ensure you have constructed your product correctly.

For Care and Maintenance of your product...

- Always assemble in your desired room of use.
- Always check all screw and fixings periodically to ensure they are still secure.
- Do not push or pull this product as it will cause damage.
- Always lift this product with a second person to prevent damage or injury.
- Keep any sharp objects away from this product.

For your Health and Safety...

- Do not use this bed if you find missing, damaged or worn parts. Please contact your retailer.
- Please do not use this product until you have fully secured all fixings.
- Please keep all small components away from children.
- Always use on a level even surface.

If your desired room of choice has a non-carpeted surface ensure please that you use some form of anti-slip protection and **do not** place directly on the wooden floor. This will prevent the item from moving and therefore collapsing which will void your guarantee...
