• B and E Can be filled with sand for stability.

## ASSEMBLING & USING YOUR PRODUCT

1. Place the Birdbath Base on a smooth and level surface. Attach the Post Connector to the Birdbath Base, followed by the Post and twisting clockwise with the threads. Then put plant pot on the support. See the Figure 1 above.
2. Attach the Birdbath Basin by twisting it on to the threaded Post.
3. When placing on uneven soil and due to the light weight construction, you can secure the fountain with the included ground stakes.
4. Congratulations, your Birdbath is now complete. Add water and enjoy the new wildlife it brings to your yard.
