

[illegible]

A diagram of a rectangular block with a width of 1 inch and a height of 18 inches. A square hole with a side length of 1 inch is located at the top-left corner of the block. The block is divided into two regions: a light gray region at the top and a dark gray region below it. The dimensions are indicated by dashed lines and arrows: 1 inch for the width, 18 inches for the total height, and 1 inch for the height of the square hole.
