READ AND SAVE THESE INSTRUCTIONS

SAFETY INFORMATION

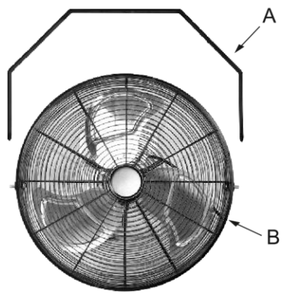

WARNING

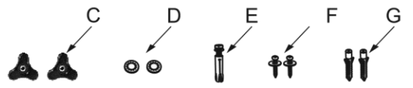

1. Read and save these instructions. Do not operate fan unless you have read these instructions.
2. Unplug the fan before moving it or performing maintenance. Do not touch the fan when your hands are wet.
3. Those who are not qualified electricians should not disassemble, repair or rebuild the fan.
4. Unplug the fan when it is not in use.
5. DO NOT unplug the fan by pulling the cable cord. Unplug by holding the plug and pulling.
6. DO NOT use the fan when there is damage to the cable cord or plug. If the supply cord is damaged, it has to be replaced by the manufacturer, its service agent or similarly qualified persons.
7. DO NOT use the fan with extension cord.
8. DO NOT use the fan close to fires.
9. DO NOT insert your hand or other objects into the grille or the movable parts.
10. To reduce the risk of fire or electric shock, do not use this fan with any solid-state speed control device.
11. To reduce the risk of injury to persons, install fan at least 2.1m (7 feet) above the floor.
12. DO NOT use this fan outdoors, this fan is desiqned for indoor use only.
13. To reduce the risk of fire, electric shock or injury to persons, do not use replacement parts that have not been recommended by the manufacturer (e.g. parts made at home using a 3D printer).

CAUTION

1. Unplug the fan from the socket and clean it with a soft cloth.
2. Do not immerse the fan.
3. Fit the guard onto fan before starting up the fan.
4. This fan is not intended for use by people (including children) with reduced physical, sensory or mental capabilities or lack of experience and knowledge unless they have been given supervision or instruction concerning use of the fan by a person responsible for their safety. Supervise children to ensure they do not play with the fan.
