

CANVAS INSTALLATION GUIDE

Follow these quick & simple steps to hang your canvas artwork securely

1

Art Hanging Toolkit

Unpack your toolkit containing the screws, metal sawtooth hooks, and white plastic wall hangers.

2

Screw Hooks to Frame

Screw the 2 metal hooks onto both ends of the canvas frame using the provided screws.

3

Hammer Hangers to Wall

Hammer the white plastic nails/hangers into the wall at your chosen placement.

Note: Rest assured that the nails are sturdy enough to hold the canvas, as we have tested their durability.

4

Attach Art to Hangers

Carefully mount and attach the metal hooks on the frame onto the hangers fixed into the wall.
