Step 11

Step 12

How do I get the two doors to align flat by adjusting the hinges?

1. Adjust the screws shown in Figure 1 to adjust the door up and down.

2. Adjust the screws shown in Figure 2 and pull the door back and forth so that it can be opened smoothly.

3. Adjust the screws shown in Figure 3 to adjust the door left and right to the right position.

4. After the adjustment is complete, install the remaining two screws to secure the door in place.
