PRODUCT ACCESSORIES:

HOW TO PLAY:

INTRODUCTION:

This potato sack racing bag game set is a versatile outdoor entertainment product. The kit includes 57 game components, enabling activities such as potato sack racing bag game, three-legged races, egg-and-spoon races, as well as bean bag tossing and ring toss games. It supports 4 to 12 players simultaneously, and winners can receive medals.

GAME PLAY:

1. Potato Sack Racing Bag Game: This game can accommodate 4 players simultaneously. All participants start from the same point, get into sacks, and jump forward. The first one to reach the designated finish line wins and receives a medal. All participants start simultaneously from the same point and jump forward inside their sacks. The first person to reach the designated finish wins and receives a medal.

2. Three-Legged Races: This game can accommodate 8 players simultaneously. Participants must pair up into teams of two and tie their adjacent legs together. Once the game begins, they must walk or run in a coordinated manner. The team that covers the designated distance in the shortest time wins and receives medals.

3. Egg-and-Spoon Races: This is a competitive game that can accommodate up to 4 players simultaneously. Participants balance an egg on a spoon and walk or run a designated distance without dropping it. For an advanced version, players can balance an egg on a spoon and navigate around plastic cones over a set distance, all while ensuring the egg doesn't fall. The activity can be conducted as an individual time trial or a team relay race. The individual or team that finishes the course in the shortest time wins and receives medals.

4. Ring Toss Games: The product includes 6 plastic cones and 12 rings. Players can choose between solo play or team relay within the time limit. At the start of the game, participants must stand behind the designated position, players toss the rings onto the plastic cones. One point is awarded for each ring successfully landed on a cone. At the end of the game, the individual or team with the highest score wins a medal.

5. Bean Bag Tossing: The product includes 12 bean bags and 12 toss rings. Players can choose solo or team relay mode. At the start of the game, participants must stand at the designated position and throw the bean bags toward the target rings. Scoring: outside the ring (0 points), on the ring's border (1 point), inside the ring (2 points). At the end of the game, the individual or team with the highest total score is declared the winner and receives a medal.

CONCLUSION:

This outdoor game set includes multiple components suitable for 4-12 players. It offers both enjoyable leisure fun and helps enhance hand-eye coordination and teamwork skills. Please familiarize yourself with these basic rules to fully experience the charm of this game. Players can combine game modes according to the number of participants and their own gaming preferences.
