

Please note: Some accessories are stored inside the backrest and can only be accessed by unzipping the cover. Rest assured, the backrest is made of high-quality premium materials. Although the interior is hollow, it will not affect the overall comfort, durability and usage experience at all.

Kindly remind you that ****all office chairs are designed with a non-solid/hollow internal structure**** as standard industry practice. This is a normal structural design, not a sign of low quality. Please shop with confidence.
