

## 6-Tier Cookware Stand (Unassembled) CWS6KD

If you need assistance, please call 1-877-ENCLUME

**Enclume Design Products**

24 Colwell Street, Port Hadlock, WA 98339

Enclosed you will find everything needed for the assembly and use of your cookware stand. Two people make assembly and installation easier. The parts and hardware included are:

### Hardware included:

- 18 – Barrel Bolt – Open End half, #10 x 24 x 7/16"
- 18 – Barrel Screw – Screw Head half, #10 x 24 x 5/16"
- 3 – Felt Pads
- 2 – 5/32" Hex Key

### Components included:

- 3 – Uprights
- 6 – Sets of Shelves #1 - #6 (each set contains 3 shelves)

### Rack Assembly

- 1) Place two of the three uprights on a firm surface with the angled ends both at one end. (NOTE: one upright should have the angled tab facing up toward the ceiling, while the other upright tab is facing in the opposite direction.)  
NOTE: Before attaching the shelves in the next steps, we recommend that you insert the barrel nuts and bolts all in the same direction on the shelves and each upright for a uniform look.
- 2) Locate Shelf #6 (set of three) starting at the bottom of the rack. Using two of the three shelves, attach the two shelves by inserting a barrel screw through the hole in one end of the shelf, through the upright and THROUGH THE HOLE IN THE OTHER SHELF. Attach the 3 pieces making sure the upright is between the two shelves with the barrel bolts and screws. Do NOT fully tighten at this time.
- 3) Using the third shelf of the set repeat Step #2 for the second upright.
- 4) Locate the third upright and attach to the remaining open ends of the shelf, as in Steps 2 and 3.
- 5) Repeat Steps 2-4 using the #1 set of shelves at the opposite end or top of the stand.
- 6) Your stand is ready to stand up.
- 7) Repeat Steps 2 – 5 for the remaining 4 sets of shelves.
- 8) Level rack and tighten TOP shelf first, then the bottom shelf. Finally, tighten all fasteners.

**WARNING:** It is important that your cookware stand is assembled correctly. If the unit is assembled or used incorrectly, it could become unstable and collapse, possibly causing injury.

**LIMITED WARRANTY:** This product is warranted to be free of material defects, other than that from normal use, for a period of five years from the date of purchase. Customer's exclusive remedy shall be the repair or replacement of the defective product and shall be subject to the following conditions: (1) notice of any defect is received by Enclume within the warranty period and (2) customer returns the defective product to Enclume Design Products, 24 Colwell St., Port Hadlock, WA 98339, postage prepaid within 20 days following a return authorization number (which may be obtained by telephoning the number at the top of this instructions) being provided to the customer by Enclume. There are no other warranties, expressed or implied. THERE ARE NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. ENCLUME SPECIFICALLY DISCLAIMS ANY AND ALL INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE PURCHASE OR USE OF ENCLUME'S PRODUCTS.
