

Portland 23" Suite

Experience Better Living

Suite

Experience the perfect fusion of modern style and cosy comfort with our stunning Portland electric suite in a sleek white finish. Featuring a 1.4kW heat output, this fire features Dimplex's renowned Optiflame technology, creating a beautifully realistic flame effect. Choose from a range of customisable flame themes, brightness settings, and flame speeds to set the perfect atmosphere for any occasion. Whether you are looking to create a cosy, intimate setting or a vibrant, warming glow, this suite adapts to your needs. Control it effortlessly with the included remote or use the manual controls directly on the fire.

Fully assembled for convenience, it offers the ultimate flexibility and can be placed anywhere in your home. This electric suite not only provides instant warmth but also enhances the ambience of your space, bringing a sense of comfort and tranquility to every room. Enjoy the luxury of warmth, style, and effortless control, all while creating a welcoming atmosphere for any space.

Optiflame technology
A vibrant and realistic flame effect that adds depth and comfort to any space.

1.4kW heat output
Offering up to 1.4kW of heat via a fan heater.

LED lighting
Flames and lamps use energy-efficient LED lighting that requires no maintenance and can be used on flame effect only.

Thermostat
Maintains the desired room temperature by automatically switching on and off.

Fuel bed
Dancing flames rising over the realistic glowing log effect fuel bed.

Remote control
Controlling all functions of the fire.

Choice of flame effect
Tailor the stunning flame effect with a choice of colours, adjustable flame speeds and brightness levels.

Run-back timer
Set the fire to switch off automatically after a selected time period (upto 8 hours).

Suite
Quick and easy to install – fully assembled and ready to plug in and go.
