# ASSEMBLY INSTRUCTIONS

## STEP 1

### Stationary Option

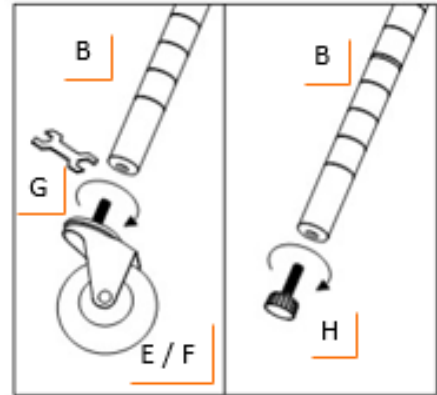

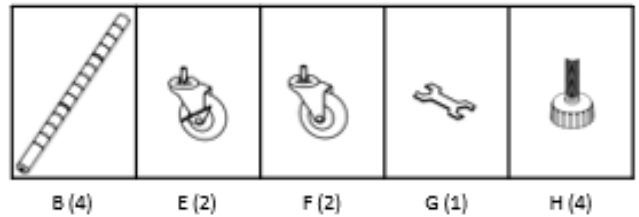

Screw each FEET LEVELER (H) into the bottom of each BOTTOM POLE (B). Turn clockwise to screw in place.

**Warning: For safety, at least half of the FEET LEVELER (H) stem must be screwed into BOTTOM POLE (B).**

### Mobile Option

Screw each CASTER (E & F) into the bottom of a BOTTOM POLE (B). Turn clockwise to screw in place. Use the provided WRENCH (G) to tighten completely. Make sure the locking casters are on the same side.

**Use the provided WRENCH (G) to tighten completely.**  
**Failure to do as instructed could result in the caster stem breaking.**

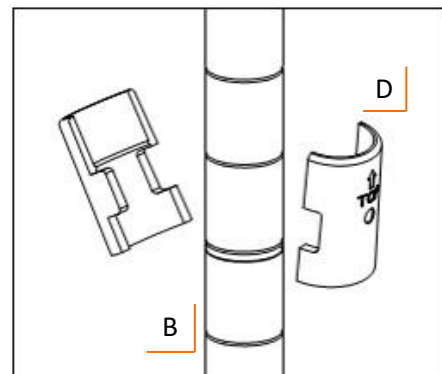

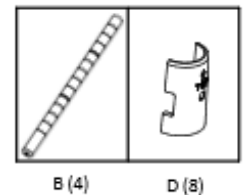

## STEP 2

On BOTTOM POLE (B), place 1 pair of SLIP SLEEVES (D) at the desired level no higher than the 3<sup>rd</sup> indentation from the bottom. Please make sure the arrow on SLIP SLEEVES (D) faces up and the word "TOP" right-side up. Do this for each BOTTOM POLE (B) and make sure slip sleeve heights are identical for all (4) BOTTOM POLES (B).

Note that each POLE (A & B) has slight horizontal line indentations at 1" intervals. Each SLIP SLEEVE (D) has raised horizontal lines inside designed to lock in place on POLE (A & B).

Slide the pair of SLIP SLEEVES (D) until you hear a click to confirm the pair is locked onto BOTTOM POLE (B). Do NOT place more than one pair on each POLE (A & B) at one time.

*Note: There will be a very small gap in-between two locked SLIP SLEEVES (D)—this is normal.*

# ASSEMBLY INSTRUCTIONS

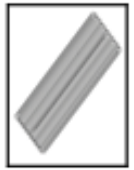

## STEP 3

Place SHELF (C) on its side and slide the (4) BOTTOM POLES (B) through the (4) holes in the SHELF (C). Make sure that the SHELF (C) corner cylinders are positioned over the SLIP SLEEVES (D).

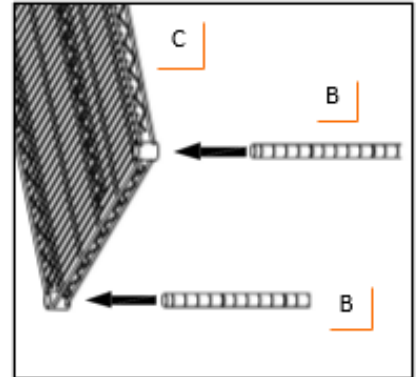

Stand the unit upright.

**Note:**

- The level side of the SHELF (C) is the TOP side (the TRINITY logo on the corner cylinders should be right-side up.)
- Use a rubber mallet, if needed, to secure the SHELF (C).
- For convenience, place BOTTOM POLES (B) with Locking Casters on the long side of the shelf if the rack will be pushed against a wall OR if the rack is frequently rolled around like a cart, place BOTTOM POLES (B) with Locking Casters on the side being pushed or pulled.

C (1)

## STEP 4

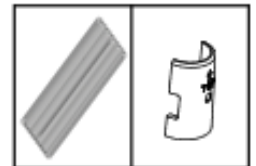

On BOTTOM POLE (B), place 1 pair of SLIP SLEEVES (D) at a desired distance between SHELVES (C). Please make sure the arrow on SLIP SLEEVES (D) faces up and the word "TOP" is right side up. Do this for each BOTTOM POLE (B), and make sure that the heights of SLIP SLEEVES (D) on each BOTTOM POLE (B) are identical.

Lower SHELF (C) over the BOTTOM POLES (B) so that the corner cylinders of the SHELF (C) are positioned over the SLIP SLEEVES (D).

Make sure to put SLIP SLEEVES (D) at the desired heights for each item, installing one shelf at a time.

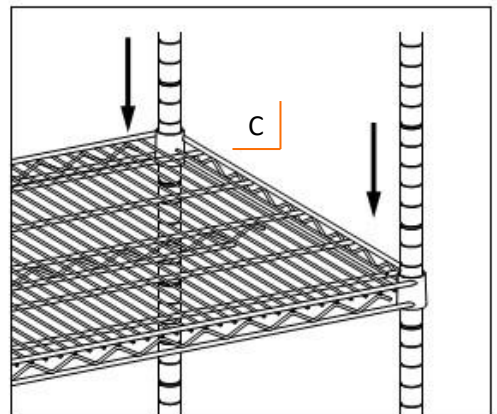

**Note:**

Use a rubber mallet, if needed, to secure the SHELVES (C).

C (1)

D (B)

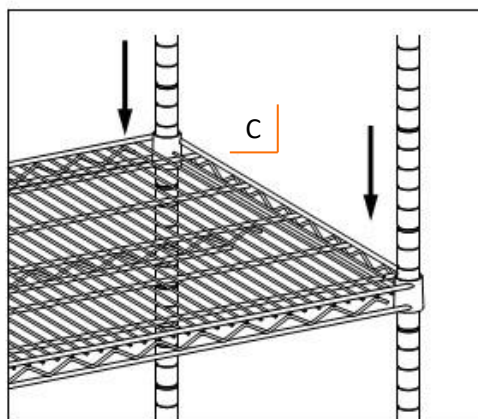

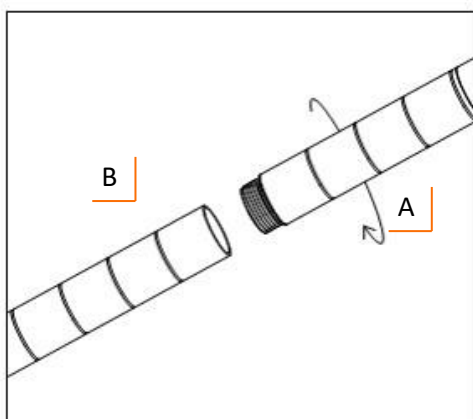

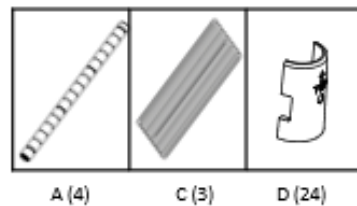

# ASSEMBLY INSTRUCTIONS

## STEP 5

Screw the TOP POLE (A) into the BOTTOM POLE (B). Pole Connectors are pre-installed in bottom of the TOP POLES (A).

The tops of TOP POLE (A) are indicated by the BLACK END CAP.

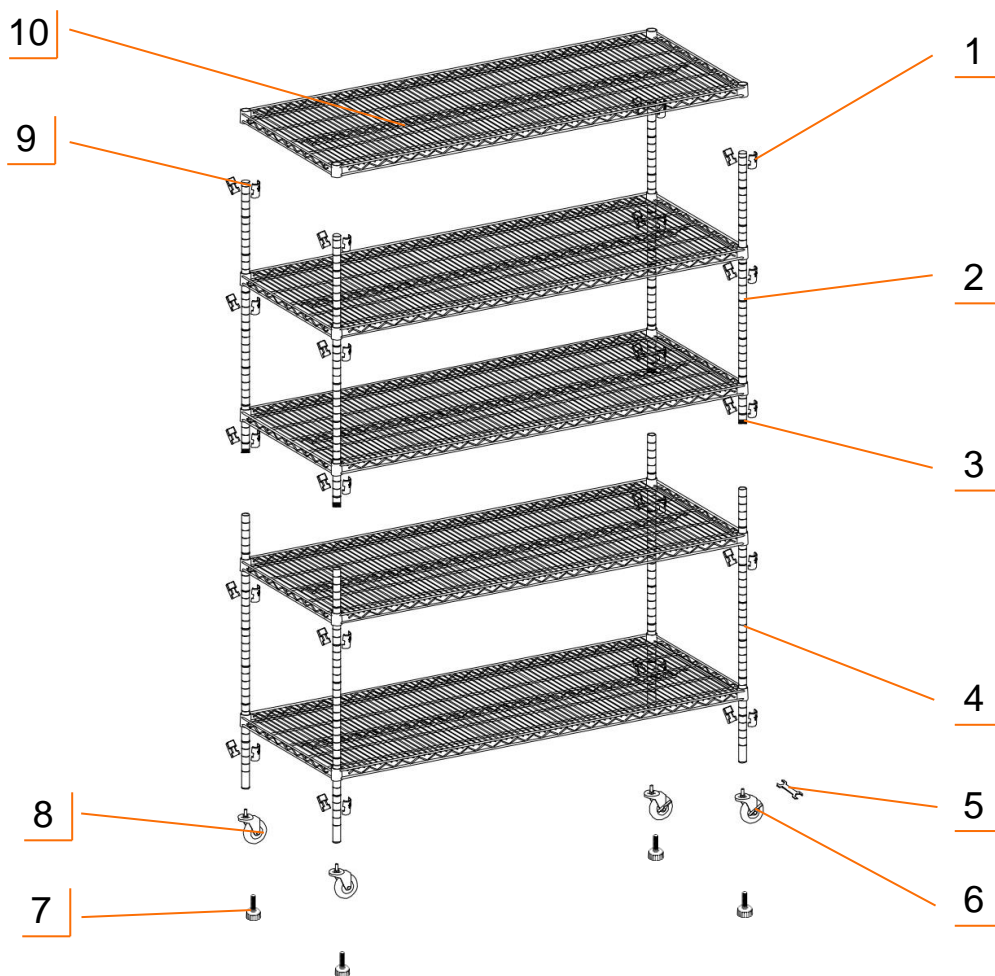

Repeat STEP 4 to install (3) SHELVES (C) to complete the assembly.

# 1 YEAR LIMITED WARRANTY

## Basics 5-Tier 60" x 24" x 72" NSF Wire Shelving Rack w/ Wheels

International Industries warrants to the original consumer purchaser ("Purchaser") of the Basics 5-Tier 60" x 24" x 72" NSF Wire Shelving Rack w/ Wheels ("Product") that each Product shall be free from defects in workmanship and materials for a period of 1 year from the date of original purchase. Obligation under this warranty shall be limited to repair or replacement of, or adequate compensation for the Product which shall not be greater than the amount of the purchase price of the Product, during the warranty period.

This warranty excludes normal wear and tear of the Product and its parts or components, and damage arising from any of the following: negligent use or misuse of the Product, use contrary to this User's Manual, or alteration by anyone other than Trinity. The warranty period of 1 year shall not be extended or renewed by the repair or replacement of, or compensation for, the Product. Any warranty implied by applicable law is limited in duration to one year from the date of purchase and is subject to the same conditions and limitations as is provided for our express warranty.

Except as set forth herein, and to the extent of applicable there are no warranties on this Product either express or implied, and Trinity disclaims all warranties including, but not limited to, any implied warranties of merchantability, infringement or fitness for a particular purpose. No warranty or guarantee given by any person, firm, or corporation with respect to this product shall be binding on Trinity.

### LIMITATION OF REMEDIES AND LIABILITY

Trinity (and its employees, officers, members, managers, affiliates and assigns) shall not be liable for any incidental, consequential, special, indirect, remote, special or punitive damages for breach of any warranty, express or implied, including, but not limited to, lost profits, lost savings, loss of anticipated benefits and attorneys' fees, which arise out of the purchase, use or inability to use the Product, whether arising out of contract, negligence, strict tort, product liability, or any other legal theory on which a claim is based. As noted above, to the extent damages are allowed by our express warranty or by applicable law, those damages may not exceed the purchase price paid for the Product. Without limiting the foregoing Purchaser assumes all risk and liability for loss, damage or injury to Purchaser and Purchaser's property and to others and their property arising out of the use, misuse, or inability to use this Product. This limited warranty shall not extend to anyone other than the original purchaser of this product, is nontransferable and states your exclusive remedy.

Some states do not allow the exclusion or limitation of incidental, consequential, special, or punitive damages, so the above limitation or exclusion may not apply to you. The above warranty gives you specific legal rights, and you may have other rights which vary from state to state.
