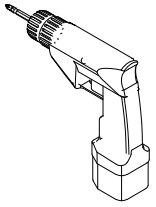
Please use tools properly and carefully.If you have any questions regarding the product or installation, please contact us. Our professional after-sales team will respond within 24 hours online

Before You Start

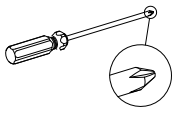
People need for assembly:1-2

Read through each step carefully and follow the proper order

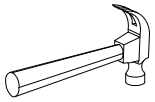
Separate and count all your parts



Give yourself enough room for the assermbly process and hardware



You need the following tools: Power drill,Phillips head screwdriver



Caution: If using a power drill or power screwdriver for screwing.Please be aware of slowing down and stop when screw is tight. Failure to do so may result in stripping the screw. (Assembly speed can be increased by using electric screwdriver)

Caution: When flipping the table from legs-up to legs-down position during installation, always lift with two people to avoid crushing the legs
