

The background of the entire page is a complex, repeating geometric pattern. It consists of numerous thin, light gray lines that intersect to form a series of overlapping triangles of various sizes and orientations. Some triangles point upwards, while others point downwards, creating a tessellated effect. The pattern is dense and covers the entire surface of the document.

# **ASSEMBLY MANUAL**

# BEFORE YOU START

## 1. TOOLS REQUIRED

Phillips screwdriver, not included.

## 2. CHECK ALL PARTS

Make sure all panels and hardware are included before assembly.

## 3. USE A SOFT SURFACE

Assemble on a carpet or protective mat to avoid scratches.

## 4. DO NOT FULLY TIGHTEN SCREWS FIRST

Tighten screws only after the unit is fully aligned.

## 5. Recommended: 2 Adults

Larger panels are easier and safer to assemble with two people.

## 6. KEEP SMALL PARTS AWAY FROM CHILDREN

Small parts may present a choking hazard.

# PRODUCT OVERVIEW

Finished Product & Dimensions

Please review the finished product shape and overall dimensions before assembly.

# HARDWARE INSTALLATION TIPS

## NOTE:

1.

Ensure there is no gap  
after tightening

2.

3.

4.

Assembly Time: 30 Minutes

Assembly Difficulty ★★☆☆☆

## Installation of Cams and Pins

Screw the pin into the hole. To set the cams correctly, ensure that the arrow on the cam is opening to the hole of the pin it is locking. Lock the cam by turning the cam head with a screwdriver until it is tightened. Please do not use an electric screwdriver to assemble the unit.

Read each step carefully before starting. It is very important that each step of instruction is performed in the correct order. If these steps are not followed in sequence, assembly difficulties will occur.

This exploded view diagram illustrates the assembly of a rectangular frame. The components are numbered 1 through 14. The assembly process involves the following steps and parts:

- Component 1:** The main rectangular base plate, secured with 6 screws (Ax6).
- Component 2:** A long vertical support bar, secured with 3 screws (Ax3).
- Component 3:** A horizontal support bar, secured with 6 screws (Ax6).
- Component 4:** A horizontal support bar, secured with 6 screws (Ax6).
- Component 5:** A horizontal support bar, secured with 8 screws (Ax8).
- Component 6:** A horizontal support bar, secured with 5 screws (Ax5).
- Component 7:** A horizontal support bar, secured with 5 screws (Ax5).
- Component 8:** A horizontal support bar, secured with 3 screws (Ax3).
- Component 9:** A horizontal support bar, secured with 5 screws (Ax5).
- Component 10:** A horizontal support bar, secured with 5 screws (Ax5).
- Component 11:** A horizontal support bar, secured with 5 screws (Ax5).
- Component 12:** A horizontal support bar, secured with 5 screws (Ax5).
- Component 13:** A horizontal support bar, secured with 5 screws (Ax5).
- Component 14:** A horizontal support bar, secured with 5 screws (Ax5).

The diagram also includes a detail view of a screw (A) being inserted into a hole, and a note indicating that 76 screws (A) are required for the assembly.

Drill two holes in the wall at the marked position for installing the anti-tip device.

Place the dresser in the desired position. then use screw C to anchor it securely to the wall.

Make sure part #13 is for the left drawer  
and part #14 is for the right drawer.

## CONGRATULATIONS!

You have finished assembling the latest addition to your living space. We hope that the installation was smooth and enjoy using what is in front of you. May our product bring you much functional use in the day`s to come!

## **WARNING**

Children have died from furniture tipover. To reduce the risk of furniture tipover:

- **ALWAYS** install the provided anti-tip device.
- **NEVER** put a TV on this product.
- **NEVER** allow children to stand, climb or hang on any drawers, doors, or shelves.
- **NEVER** open more than one drawer at a time.
- Place heaviest items in the lowest drawers.

***This is a permanent label.  
Do not remove!***

## SAFETY FIRST, STYLE ALWAYS

Thank you for choosing our product. To ensure safe use and optimal performance, please read and follow the instructions below:

- **Assembly:** Carefully follow all assembly instructions and securely tighten all screws and fasteners.
- **Intended Use:** Use the furniture as intended and do not exceed the stated weight limits.
- **Handling:** Move the furniture carefully and inspect it regularly for loose hardware.
- **Tipping Hazard:** Secure the furniture to the wall using the provided anti-tip device. Failure to do so may result in serious injury.
- **Overloading:** Do not exceed the recommended weight limits, as this may result in damage or injury.
- **Sharp Corners:** Use caution around sharp corners, especially in households with children.

## MAINTENANCE & CLEANING TIPS

- **Regular Cleaning:** Use a soft, dry cloth to wipe the surface of the cabinet regularly. Avoid harsh chemical cleaners.
- **Protect from Sunlight:** Keep the cabinet out of direct sunlight to prevent damage to the material and finish.

## WE'RE HERE TO HELP.

We don't just sell furniture - we're here for the long haul! If you run into any issues due to manufacturing defects or material problems, we offer a 1-year warranty. That means we'll replace any faulty parts for free - no hassle.
