

Single Tier Designer Lockers

SINGLE TIER DESIGNER LOCKERS

Constructed of industrial grade particleboard and covered with durable plastic laminate, Salisbury 31000 series single tier designer lockers are ideal for settings where a professional environment is desired. Each single tier designer locker compartment is 10-3/4" W x 70-1/4" H and includes a full-depth hat shelf, an 11-3/4" deep shoe shelf, a 5" deep shelf and a double prong ceiling hook. Single tier designer lockers feature a gray, blue, black, maple, cherry or mahogany finish and are available in 18" and 21" depths. Optional matching laminated sloping hoods and side panels easily attach to single tier designer lockers and provide a finished look to an individual locker or a row of lockers. Single tier designer lockers include a 4" high black base and measure six (6) feet high (add 4" for the base). All locker doors are 12" W x 5/8" D and include a black name / number plate (custom engraving #33360 is available as an option upon request). All locker doors also include heavy duty concealed hinges and a lift up handle and recessed hasp for added security – built-in locks (#33310 for combination and #33315 for key), padlocks (#33320 for combination and #33325 for key), electronic locks (#33390) and resettable combination locks (#33395) are available as options upon request. One wide single tier designer lockers are available as fully assembled units only. Three (3) wide single tier designer lockers are also available as fully assembled units only and require minor assembly - see all designer locker options and locks on pages 44-45.
