

CARE INSTRUCTIONS FOR

WOOD HOME DECOR

Avoid Abrasive Cleaners:

Do not use harsh cleaners or abrasive tools on wood home decor, as they can damage the finish. Opt for mild cleaners suitable for wood surfaces.

Protect from Moisture:

Keep wood decor away from areas with high humidity or moisture, such as bathrooms or outdoor spaces, to prevent warping or damage.

Polishing:

Periodically polish wood decor with a soft cloth and a wood polish, following the manufacturer's instructions to maintain its luster.

By following these care instructions, you can help preserve the beauty and longevity of your wood home decor items for years to come.
