Incandescent

Connectivity and electric diagrams inspired the design behind this new bath and vanity collection. These fixtures appear to contain a lamp that is a continuous tube for an intriguing appearance. This collection is ideal for residential or light commercial applications, such as restaurants or other urban industrial and vintage electric design schemes. Features 2 quantity T10 lamps, included.

Width: 27-1/4"
Height: 5-1/8"
Depth: 3"
H/CTR: 2-1/2"
