

# FZU36LX

|                |              |
|----------------|--------------|
| Product family | Freezers     |
| Installation   | Built-in     |
| Category       | One Door     |
| Cooling type   | No-frost     |
| Hinge          | Door-to-door |
| Hinge position | Left         |

## Aesthetic

|                           |                 |               |                 |
|---------------------------|-----------------|---------------|-----------------|
| Aesthetics                | Classic         | Handle        | Fixed           |
| Color                     | Stainless steel | Handle color  | Stainless steel |
| Material                  | Stainless steel | Side material | Metal           |
| Door stainless steel type | Normal          | Logo          | Applied         |
| Handle                    | External        | Display       | TFT             |

## Freezer features

|                   |                    |
|-------------------|--------------------|
| Freezer lighting  | Yes                |
| Freezer lighting  | Incandescent light |
| Number of drawers | 4                  |

## Other Freezer features

|           |            |
|-----------|------------|
| Ice maker | Automatico |
|-----------|------------|

## Other technical features

|                                                                                    |                                                                                     |                                                                                     |            |
|------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|------------|
|  |  |  |            |
| Display functions                                                                  | Holiday, Fast-freezing                                                              | Type of temperature control                                                         | Electronic |
| Fast-freezing button                                                               | Yes                                                                                 | No. of compressors                                                                  | 1          |
| Power-on light                                                                     | Yes                                                                                 | Refrigerant gas type                                                                | R600a      |
| Temperature alarm light                                                            | Yes                                                                                 | Type of compressor                                                                  | Inverter   |
| Door-open alarm                                                                    | Yes                                                                                 |                                                                                     |            |

|                   |     |                      |              |
|-------------------|-----|----------------------|--------------|
| Temperature Alarm | Yes | Refrigerant quantity | 85 oz        |
|                   |     | Foam agent           | Cyclopentane |

## Performance / Energy Label

|                                                 |           |                |              |
|-------------------------------------------------|-----------|----------------|--------------|
| Total volume                                    | 150.6 gal | Climatic class | SN, N, ST, T |
| Sum of the volumes of the frozen compartment(s) | 150.6 gal |                |              |

## Electrical Connection

|                |       |                   |                |
|----------------|-------|-------------------|----------------|
| Current        | 3,5 A | Power cord length | 78 3/4 "       |
| Voltage        | 115 V | Plug              | (B) NEMA 5-15P |
| Frequency (Hz) | 60 Hz |                   |                |

---

## Symbols glossary

---

**Fast freezing:** The fast freezing function brings the temperature of the compartment down when activated a few hours prior to usage.

**Inverter technology:** The evolution of Smeg's driers towards more intelligent and environmentally sustainable models has led to the choice of using Inverter technology with heat pumps, which reduces significantly energy consumption.

**Power saving mode:** The power saving mode allows you to disable the refrigerator and keep the freezer working.

**No Frost:** The No Frost and Frost free systems prevent ice from forming so that no defrosting is required.
