

Dear customer,

Thank you for your inquiry.

Customer satisfaction is our top priority. Therefore, we provide a 12 MONTHS GUARANTEE. If there is a quality problem, we hope to solve the problem by re-sending the accessories first. If it does not work, we will bear the freight and provide a return label for return after we confirm the issue (with videos or pictures) . However, if the return is caused by the customer's personal reasons and with no quality issue, the customers will bear the freight and arrange a refund after receiving the returned product.

If you have any queries, please do not hesitate to contact us. Thank you for your time.
