CROCO JACQUARD FABRIC

Ardmore Croco Jacquard is a richly woven textile that captures the playful spirit and storytelling at the heart of the Qalakabusha “New Beginnings” collection. A rhythmic procession of stylized crocodiles creates a bold yet refined repeat—graphic from a distance, intricately detailed up close.

Woven in a dimensional jacquard construction, the design comes alive through subtle texture and tonal variation. The crocodile motif—both whimsical and symbolic—nods to Ardmore’s iconic ceramic heritage while offering a fresh, contemporary interpretation for interiors. The result is a fabric that feels layered, characterful, and unmistakably Ardmore.
