# COOKING FORWARD

## Welcome!

When we designed our Portable Mirrored Beauty Fridge with LED Lighting, we had your beauty and skincare routine in mind. Refrigerating cosmetics, toners, and moisturizers can extend their shelf life and applying chilled products delivers a cooling effect that can reduce inflammation and the appearance of under eye bags. The mirrored, LED-lighted door frames your face while the fridge's compact size is perfect for the bedroom, powder room, dorm room, office, and even your car. Its 4-liter capacity will also keep food, drink, and medicine cool. And, with the flip of a switch, can keep hot items warm.

Before you use your new fridge, please take a moment to read all about it, including important safety information.

Sincerely,

**The Chefman® Team**
