SADIE LB

Graceful curves and soft textures define the Sadie LB dining chair, designed with both comfort and everyday use in mind. Upholstered in performance white linen, the generously cushioned seat is framed in textured light blue linen for a subtle touch of color. A satin brass ring on the back isn't just decorative — it offers a convenient way to pull the chair out with ease, helping to keep the fabric clean. Perfect for dining tables and daily gatherings, this chair combines refined style with lasting comfort.
