

West Grove Gallery Wall Clock 625743

Enhance your living room with the West Grove oversized wall clock from Howard Miller. This timepiece has Roman numerals for a classic look. The aged finish on this wooden wall clock makes it look like an antique heirloom, while the neutral white-washed finish coordinates with any interior decor.

Wood Construction: This oversized wall clock has a wood veneer on the dial for durability and a rustic appearance. The grooves provide the illusion of separate wood planks for a handcrafted look.

Aged Finish: The aged gray and white-washed finish of this round clock imparts an antique appearance that coordinates beautifully with any style of furniture. Applied Roman numerals have a gray-and-white aged finish to coordinate with the spade-shaped hour and minute hands.

Makes a Great Gift: Give this round wall clock as a housewarming gift. It also makes a thoughtful present for a wedding or anniversary celebration.

Quartz Movement: This wooden wall clock has quartz, battery-operated movement. All that's required is one AA battery (not included).
