

Made in China

Notes

- This item is only intended to be used indoors. Personal injury and/or damage to product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design. The product must be assembled and used in accordance with the provisions of the manual. The seller does not assume any responsibility or liability with respect to any damage caused by incorrect assembly or improper use.
- It is recommended that assembly is undertaken by at least 2 adults. Please read assembly instructions before assembly and strictly adhere to each step outlined.
- If there is/are defective and/or missing part/s after unpacking, please cease assembly immediately and get in contact with us.
- Please assemble the item in a spacious room and do not place the unwrapped product directly on the ground to avoid damage. It is recommended to wear gloves during the assembly to avoid scratches from any sharp edges.
- Please do not stand, sit or place heavy items on the wooden boards or other parts before assembly to avoid the cracks or distortion of the wooden boards. Cracks or distortion will affect the assembly and normal use.
- Please match the corresponding board and fitting based on the part number in the manual. If the board does not match with the fitting, please check the pieces as specified in this manual.
- Please refer to the diagram during assembly. Align all screws with the related pre-drilled holes first and later tighten the screws one by one only after putting all the parts in their correct places.
- Please note that some types of parts have a spare.
- Use electric drill for punching holes in the wall. Carefully measure the distance between the two holes and keep them level.
- Periodically inspect screw tightness while the product is in use. If necessary, retighten to ensure structural integrity.
- Do not expose product to direct sunlight exposure or rain. Never touch with sharp objects or corrosive chemicals, which may damage the surface of the item.
- For daily care, please clean with a damp cloth then immediately wipe dry.

Warnings

- This product must be fixed to the wall tightly to avoid personal injury caused by falling/tilting. Check and make sure it is securely anchored before use.
- Always securely fix the item to the wall for usage.
- It is not intended for use by children under 5 years of age. Children must be under adult supervision to use the product.
- It is forbidden children to climb or play on the product to avoid serious body injury caused by the toppling.
- During the assembly process, keep any small parts out of the reach of children. It may be fatal if swallowed or inhaled.
- To avoid the potential dangers of suffocation, please keep all parts and packaging (films, plastic bags and foam, etc.) away from babies and children.
