

Upgrade your space with this modern geometric nightstand, featuring clean lines, a simple cubic silhouette, and a stylish mix of beige and rustic walnut. The included warm LED light strip adds a cozy glow, creating a relaxing atmosphere for reading, listening to music, or unwinding after a long day.

Two drawers with smooth metal slide rails provide quiet, effortless access and plenty of storage for your bedside essentials. Made from high-quality P2-compliant MDF with a scratch- and moisture-resistant veneer, this nightstand is built for long-lasting stability and durability.

Versatile and space-saving, it works perfectly as a nightstand, side table, or end table in your bedroom, living room, or home office. Assembly is simple with the included instructions—just like completing a small cubic puzzle. Enjoy a stylish, functional addition to your home with this chic nightstand
