

Learn Nesting Trapezoid Desk

Model # 1226

Add function and versatility to your classroom or work area with the Learn Nesting Trapezoid Desk, available with a gray or dry erase laminate work surface. Easily configure activity tables or learning groups to support any teaching style. Handles on both sides of the desk make it easy to flip the top back for quick compact storage. Need space to spread out and work? The top provides 32.8" W of ample work surface or space to sketch ideas on the fly. Need to stow the desk? Roll it out of the way when it's no longer in use with 4 casters. This flexible active learning desk solution allows you to easily reconfigure your space by nesting additional desks together to create an eight-person circle.
