sunsmart

Sun, Energy, And Fashion Solution

ROOM DARKENING

- Softens harsh sunlight and other exterior light
- Lighting Level: Low ambiance
- Nominal energy savings
- Effective barrier to soften outside noise and intrusion
- Perfect for dining rooms, living rooms, hallways, and open spaces
- Moderate level of privacy

BLACKOUT

- Buffers most sunlight and other exterior light
- Lighting Level: Heavily shaded ambiance
- Considerable energy savings
- Significant barrier to buffer outside noise and intrusion
- Perfect for home offices, family rooms, and bedrooms
- High level of privacy

TOTAL BLACKOUT

- Blocks out all sunlight and other exterior light
- Lighting Level: Pitch Black ambiance
- Maximum energy savings
- Maximum barrier to block out noise and intrusion
- Perfect for bed rooms, media rooms, and any private space
- Maximum level of privacy
