## Notes

1. Please check the dimensions of the product before ordering to ensure it fits your home.
2. Please do not install the light next to the air conditioner or heater to avoid rusting due to moisture, which will affect the service life of the light.
3. Please wear the provided glove and avoid scratching the surface of the lamp when installing. Please make sure that the power supply has been cut off before installation, and conduct a power test before installation.
4. Please make sure that the roof and floor construction is completed and is free of leakage before the installation of the light.
5. Please use the light within the applicable voltage range and clean the light regularly. Please cut off the power

supply when you clean the light.

6. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
