

ASSEMBLY INSTRUCTIONS

Be sure to check all packing materials carefully to ensure proper assembly of the piece.

Cleaning Instruction:

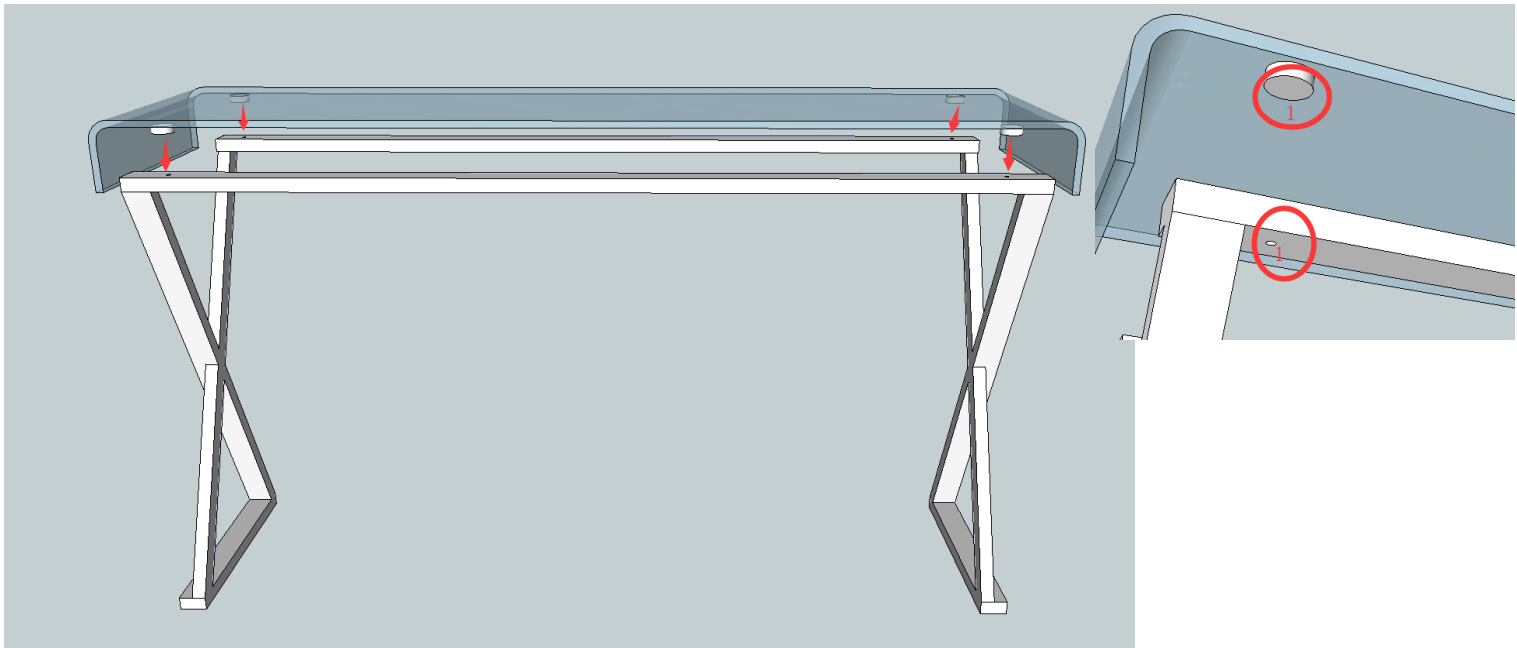

Clean the surface of the stainless steel with a dampen cloth (No chloride).

Clean the glass with a soft cloth.

Please read all instructions carefully before starting the assembly process. Some parts are large and heavy and require at least two people to assemble, to help prevent possible injury and/or damage to the piece.

TO ASSEMBLE: (Two People Required)

1. Unpack the product and put the glass on top of the frame, the glass aluminum piece should be matched the frame that we have remarked “1” .

2. Put the screws into the bottom of the frame, and screw it tight.
