

Installation instruction

Five Step to Put Together

1. Check whether the accessories are complete.
2. Clear hole positions and corresponding accessories.
3. Roughly understand the installation sequence.

Care instructi

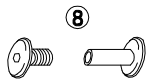

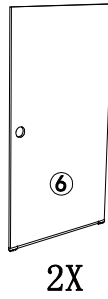

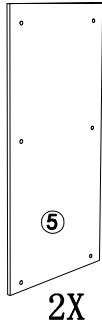

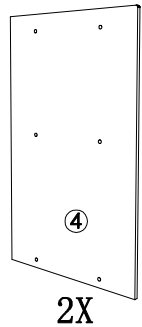

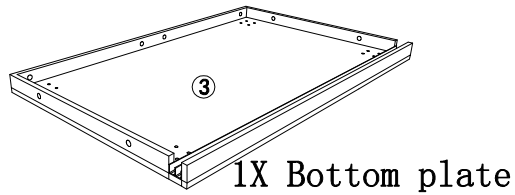

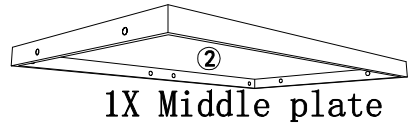

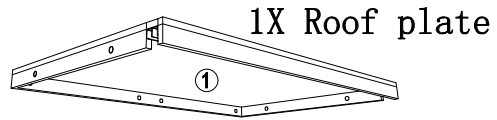

Usually: soft cloth + water.

Stubborn stains:Acrylic furniture can be wiped clean with Naphtha.

Never wipe with harsh liquids such as gasoline or essential balm.

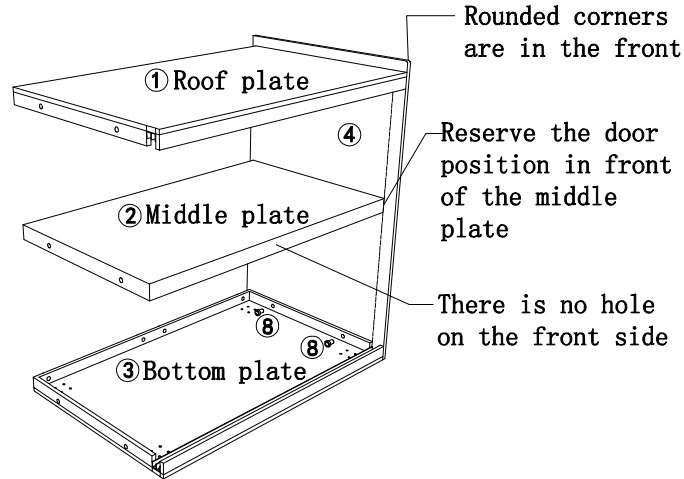

Never expose to the sun for a long time.

Parts list and hole position:

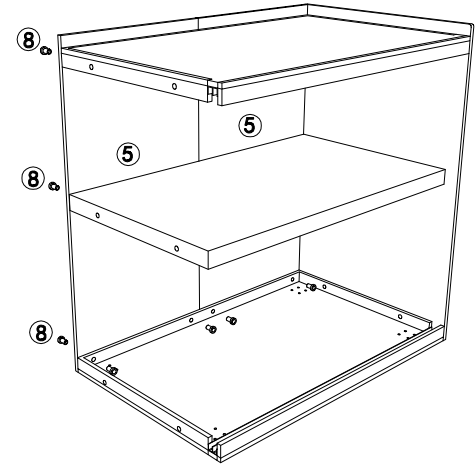

Step 1

Notice: Don't tighten the screw too tightly first.

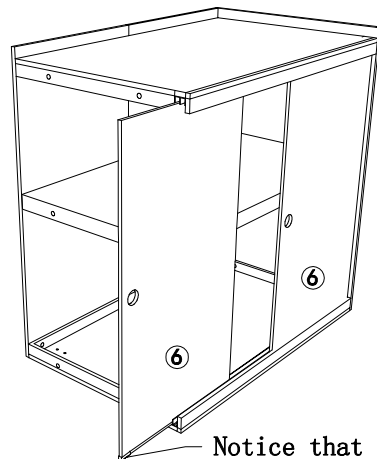

Step 2

The front of the screw does not need to be installed too tight, which is convenient for the rear screw installation

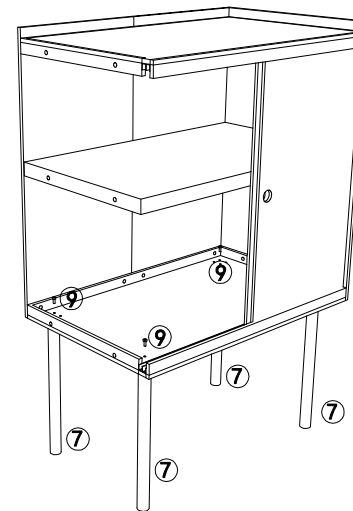

Step 3

Notice that the pulley is on the bottom plate

Step 4

Step 5

The back of the screw is too tight, you can loosen the front screw slightly
