1 Sofa Assembly – Installation Steps

First, open the storage cover and insert the screws (S) ×3 through the patches (V) ×3.

Step 1 Then, use the wrench (W) to connect the armrests (B) together via the mounting holes in the storage compartment (A). Before use, make sure the installation is secure.

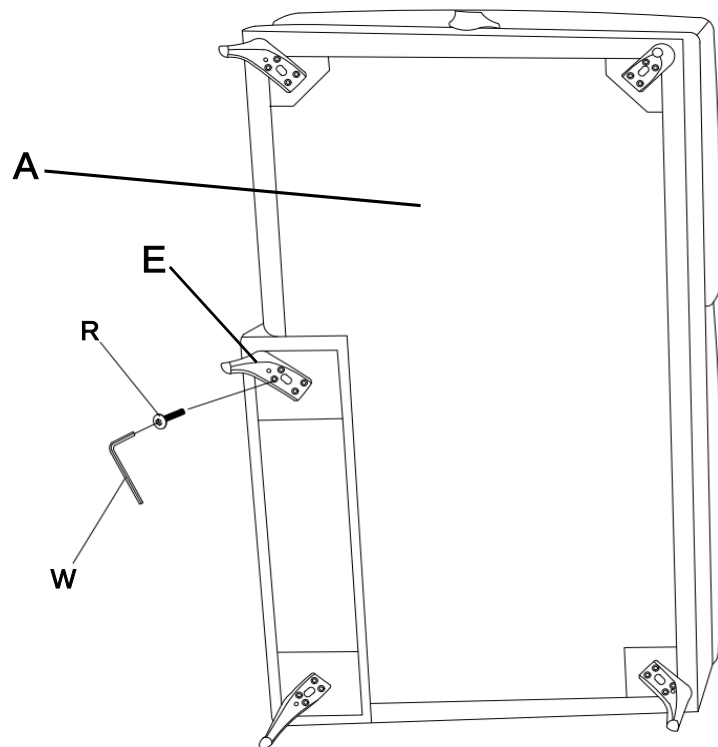

Step 2 Insert the double-headed plug (F) into the pin on the backrest (C), then use the plug (F) to secure the backrest (C) onto the pin on the storage compartment (A). Before use, make sure the installation is firm and secure.

2 Sofa Assembly – Installation Steps

Step 3

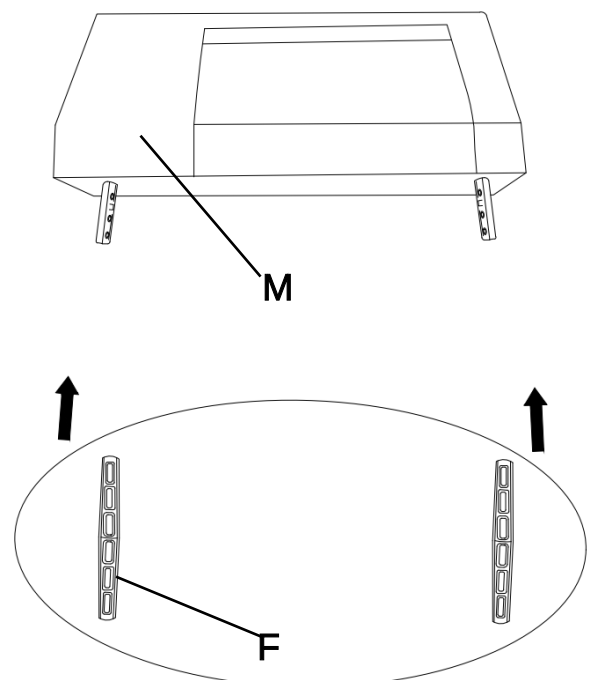

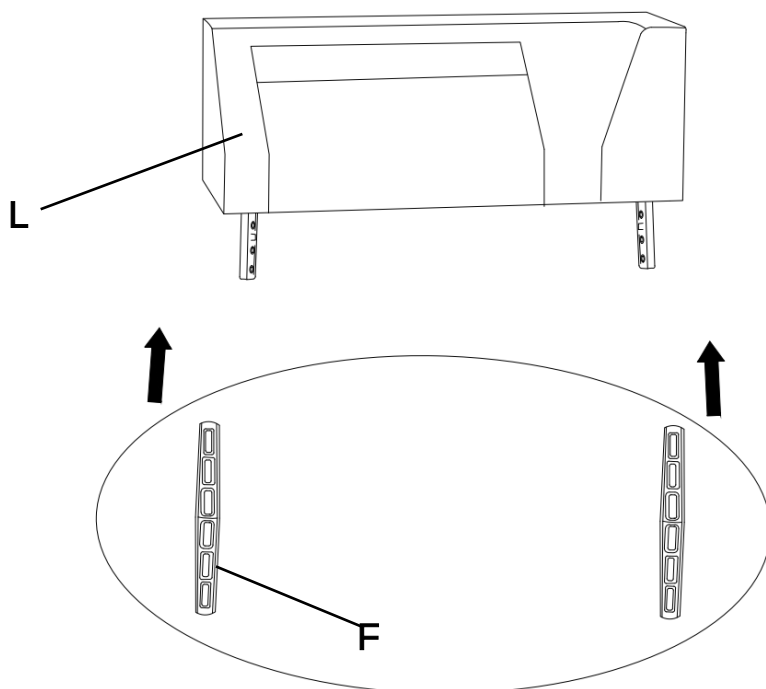

Attach the iron feet (E) *5 to the bottom of the storage compartment (A) by inserting them into the foot slots and securing them with screws (R) *20. Tighten using a wrench (W). Before use, ensure that they are securely fastened.

Pay attention to the installation direction of the iron feet (E)*5.

Step 4

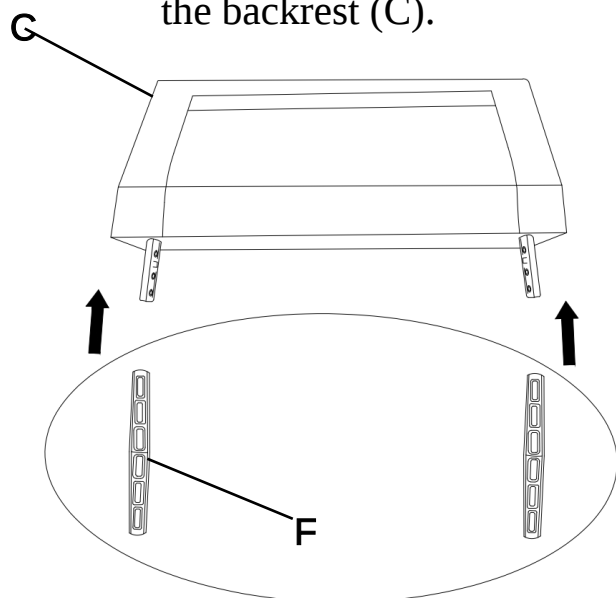

Insert the double-headed plug (F) into the pins on the backrest (L&M).

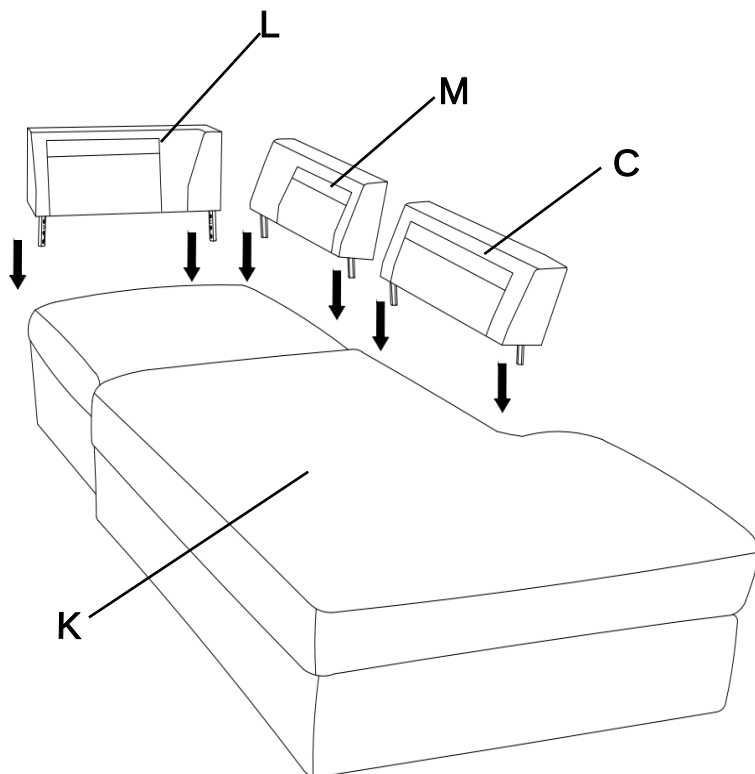

3 Sofa Assembly – Installation Steps

Step 5

Insert the double-headed plug (F) into the pins on the backrest (C).

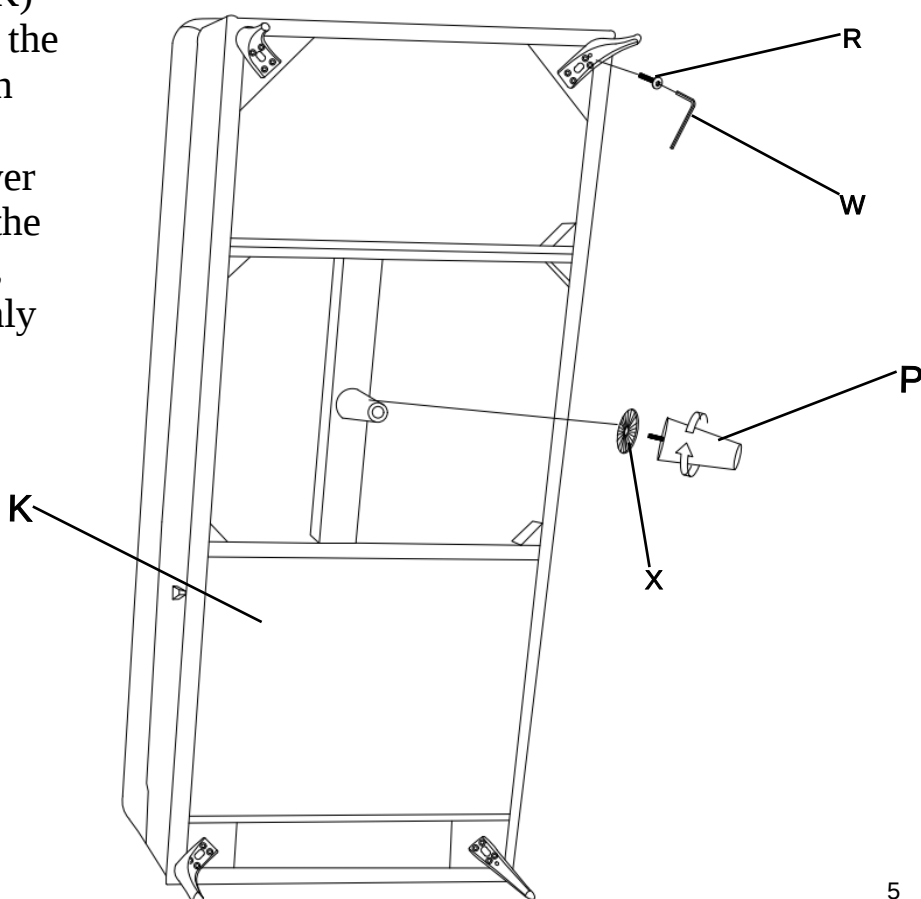

Install the backrest (C, L, & M) into the latch on the right imperial seat (K) via the plug-in component (F). Before use, make sure it is securely installed.

Step 6

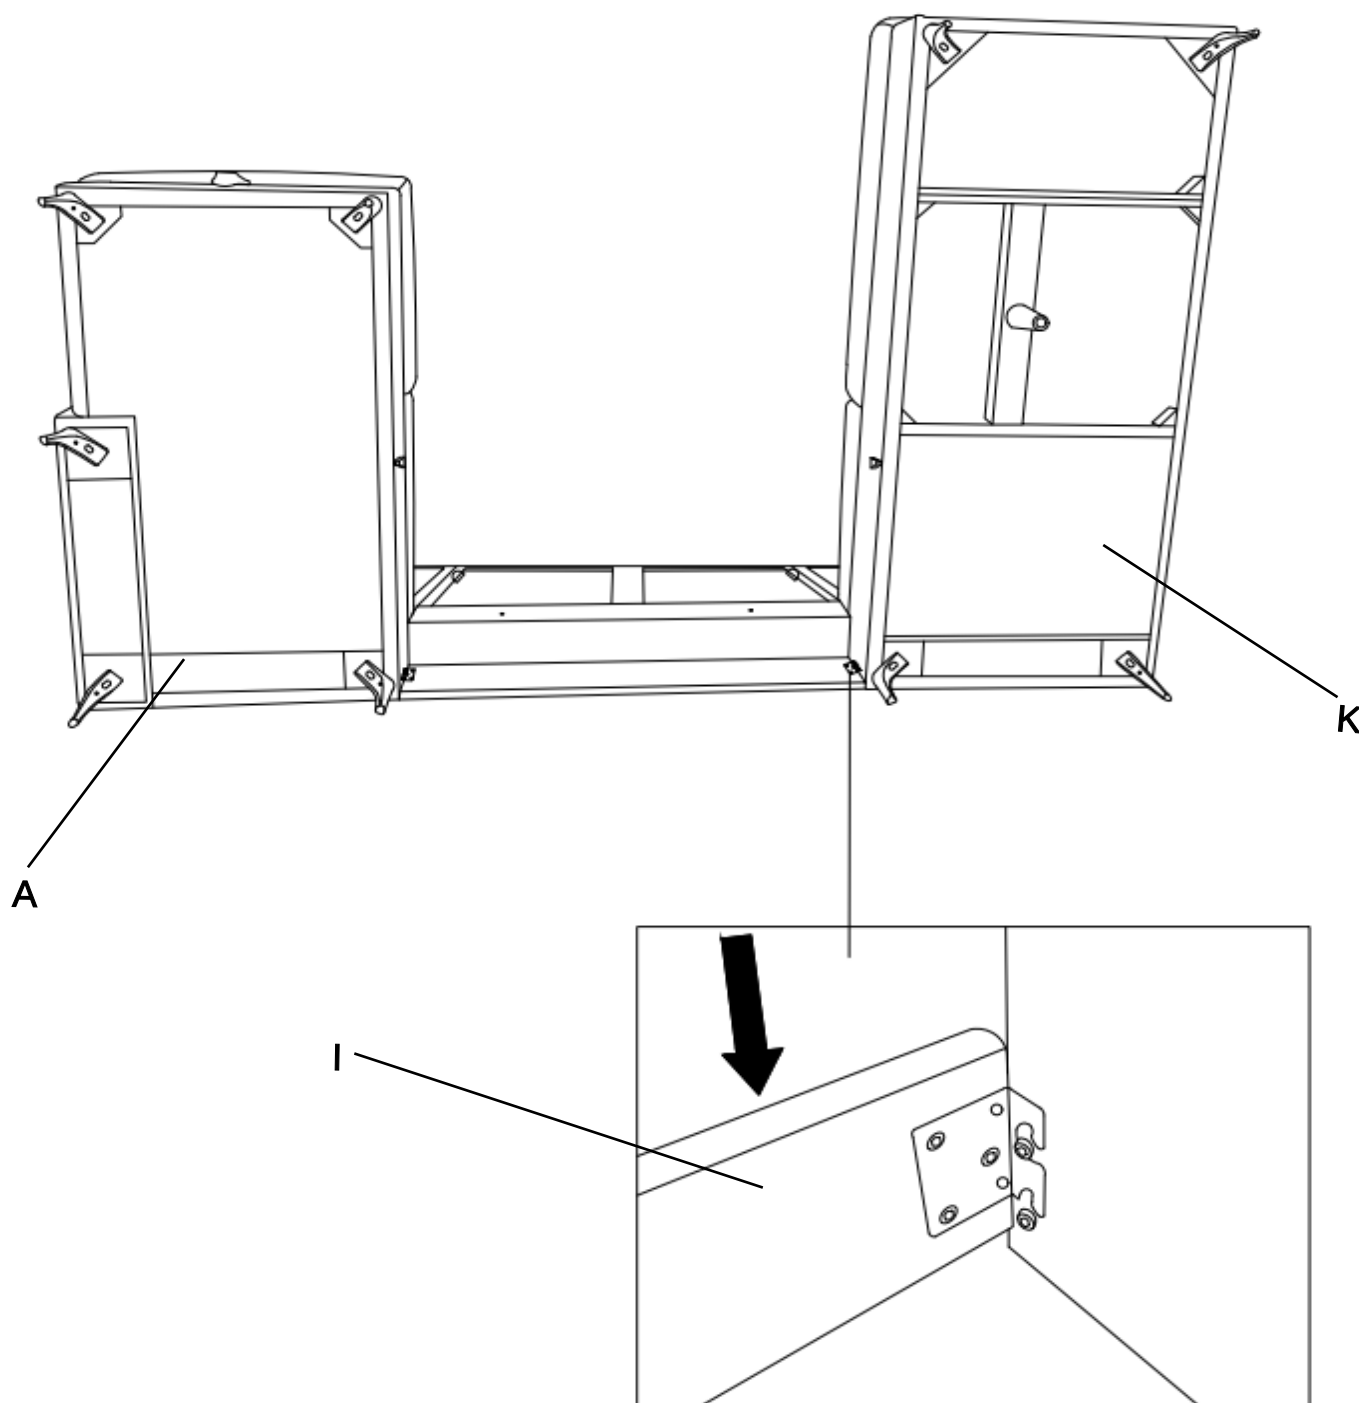

Attach the five iron feet (E)*5 to the bottom of the right imperial seat (K) using screws (R)*16, inserted into the foot-mounting slots. Use a wrench (W) to tighten them securely, then slide the middle plastic foot (P) over the washer (X) and tighten it into the central mounting hole. Before use, make sure all components are firmly secured.

4 Sofa Assembly – Installation Steps

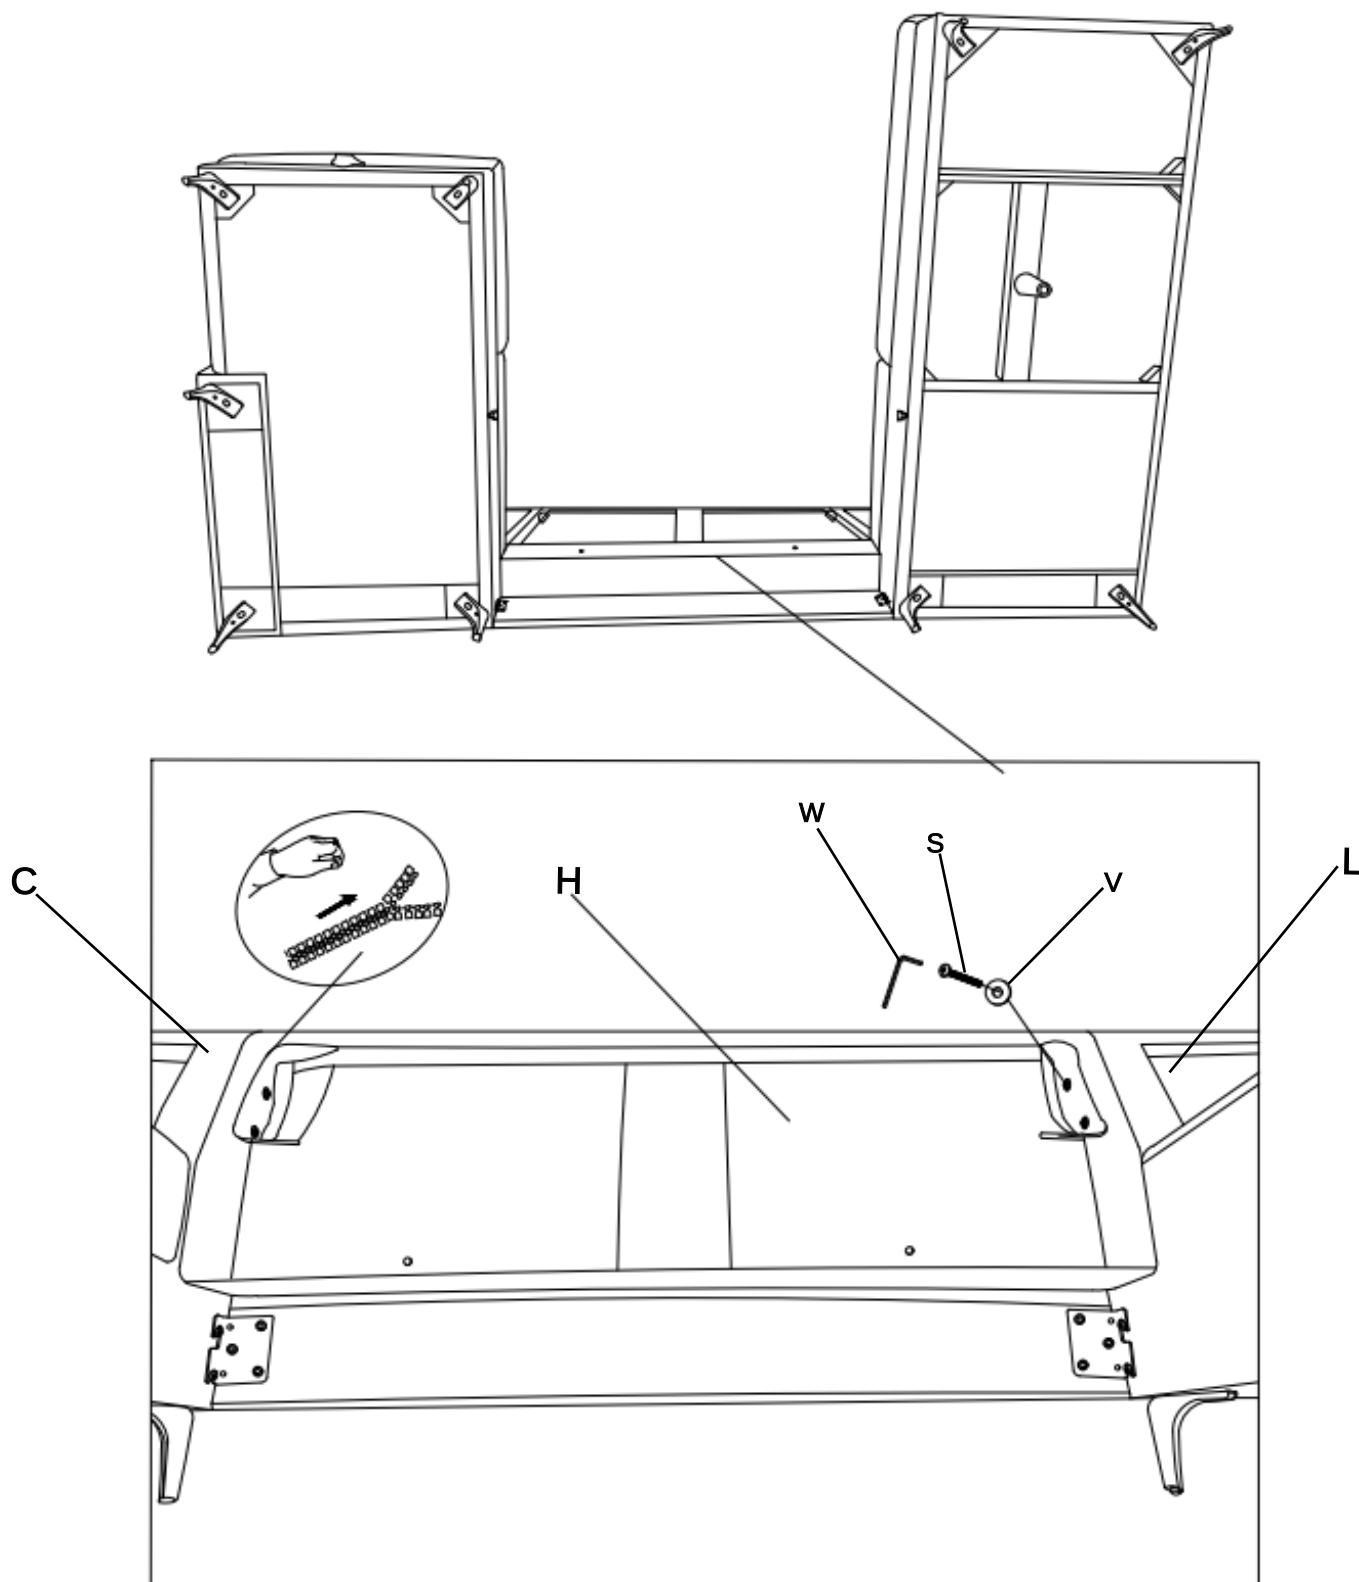

Step 7

The rear panel (I) is installed by connecting it to the screw holes pre-installed on the side frame of the storage compartment (A) and the right imperial seat (K) via hanging tabs.

5 Sofa Assembly – Installation Steps

- Step 8** Open the zippers on the left and right sides of the middle backrest (H). Use screws (S) to attach iron washers (V), connecting the middle backrest (H) to the storage backrest (C) and the right imperial-style backrest (L). Then, tighten with a wrench (W) to 80%.

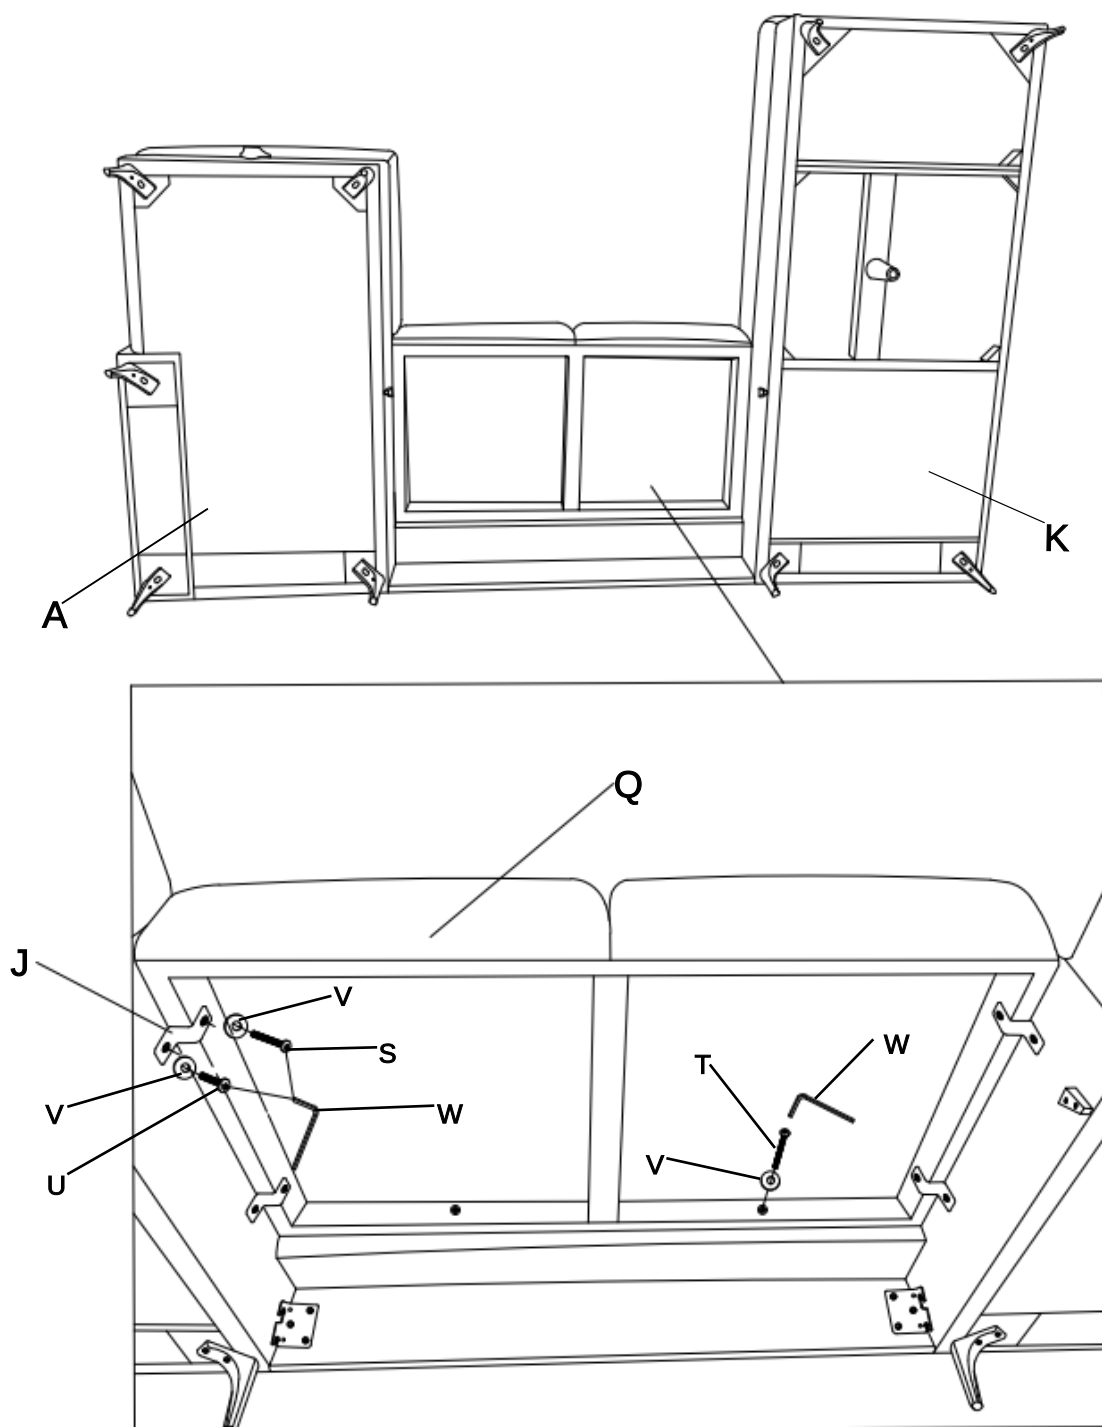

6 Sofa Assembly – Installation Steps

Step 9

Middle seat frame installation

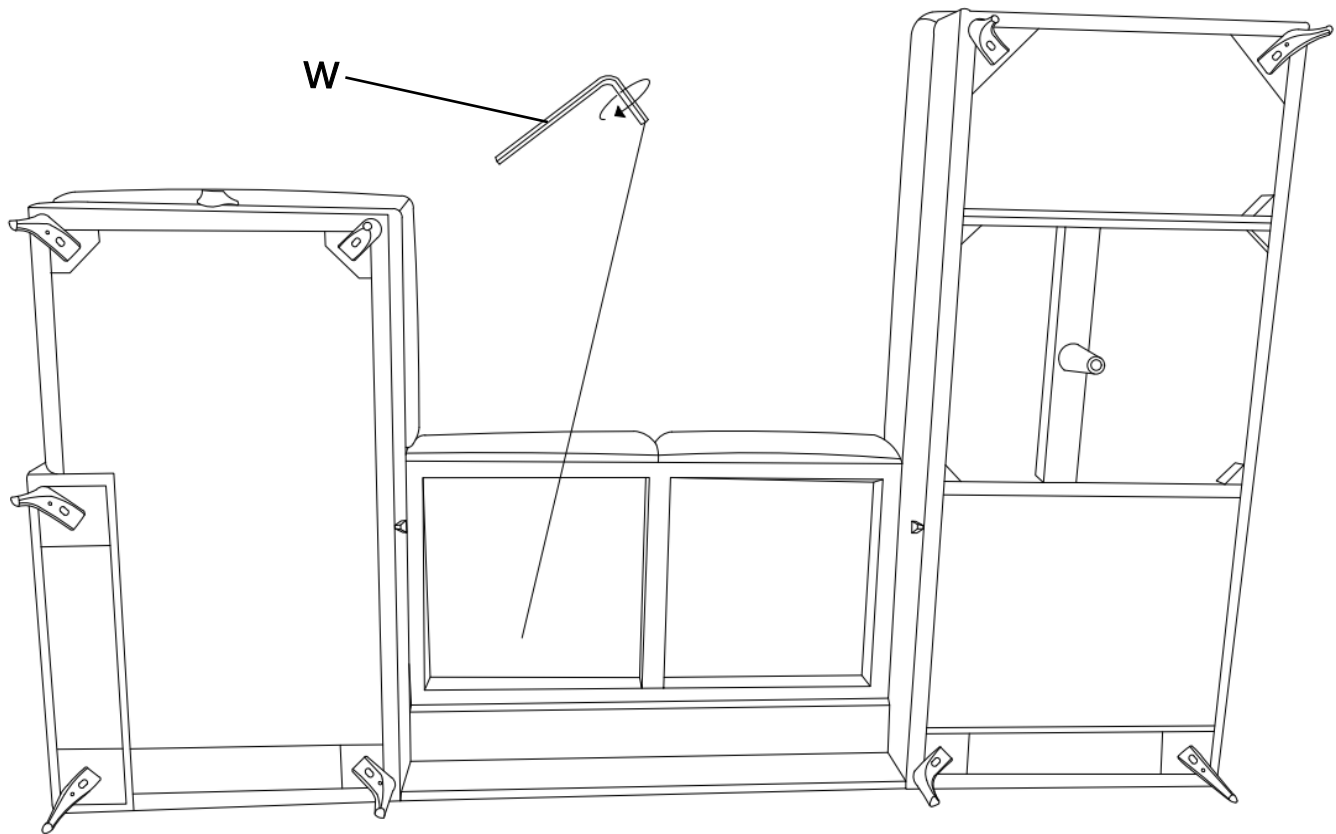

The mounting holes reserved on the inner side of the middle seat frame (Q), the right side of the storage seat frame (A), and the left side of the right imperial seat frame (K) are connected using four Z-shaped iron pieces (J). Note: The middle seat frame (Q) is installed using screws (S) (with iron washers (V) fitted onto them). The screws used to directly connect the Z-shaped iron pieces (J) to the storage seat frame (A) and the right imperial seat frame (K) are also screws (U) (with iron washers (V) fitted onto them); tighten these screws using a wrench (W).

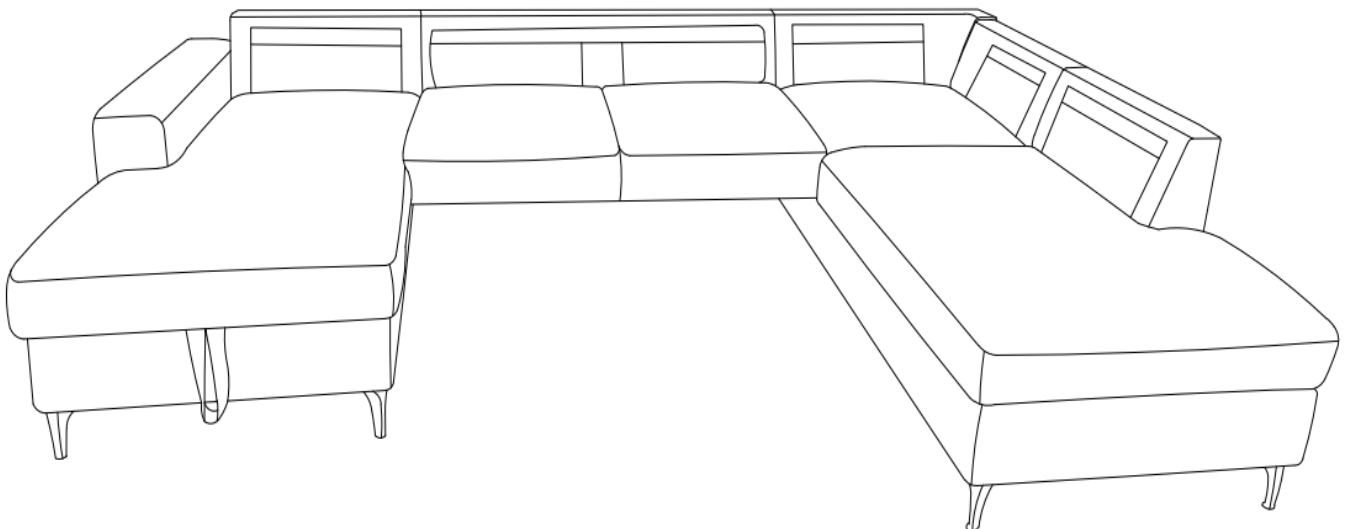

Assemble the middle seat frame (Q) by using screws (T)—with iron washers (V) fitted onto the screws (T)—into the mounting holes reserved on the backrest (H). Tighten with a wrench (W) to 80%.

7 Sofa Assembly – Installation Steps

Step 10 Use wrench (W) to tighten all screws by 100% and zip up the assembly zipper on the backrest.

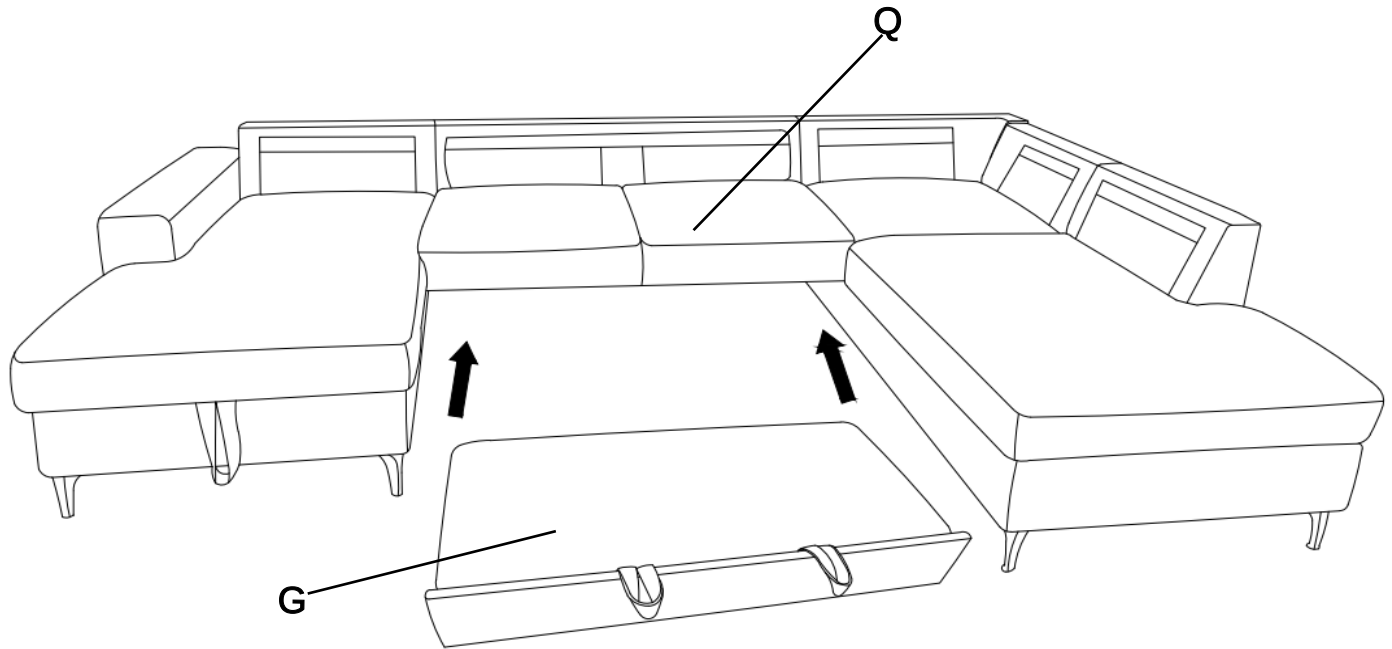

Step 11 Lay the sofa flat.

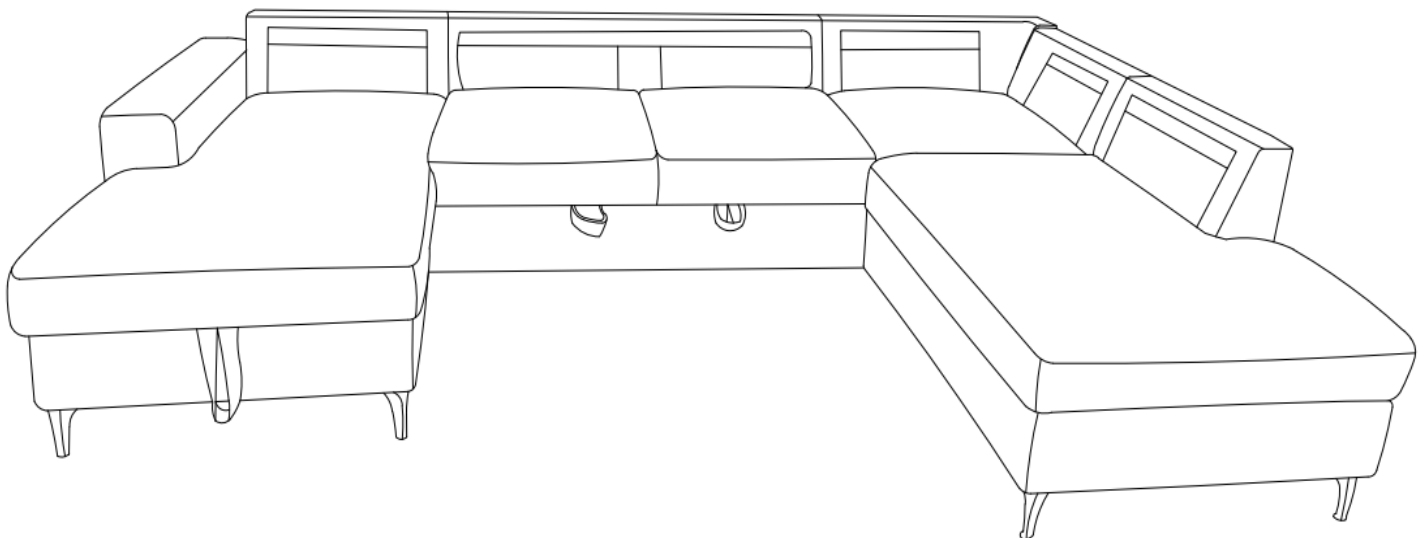

8 Sofa Assembly – Installation Steps

Step 12 Insert the middle-position drawer (G) into the bottom of the middle-position drawer frame (Q) for installation.

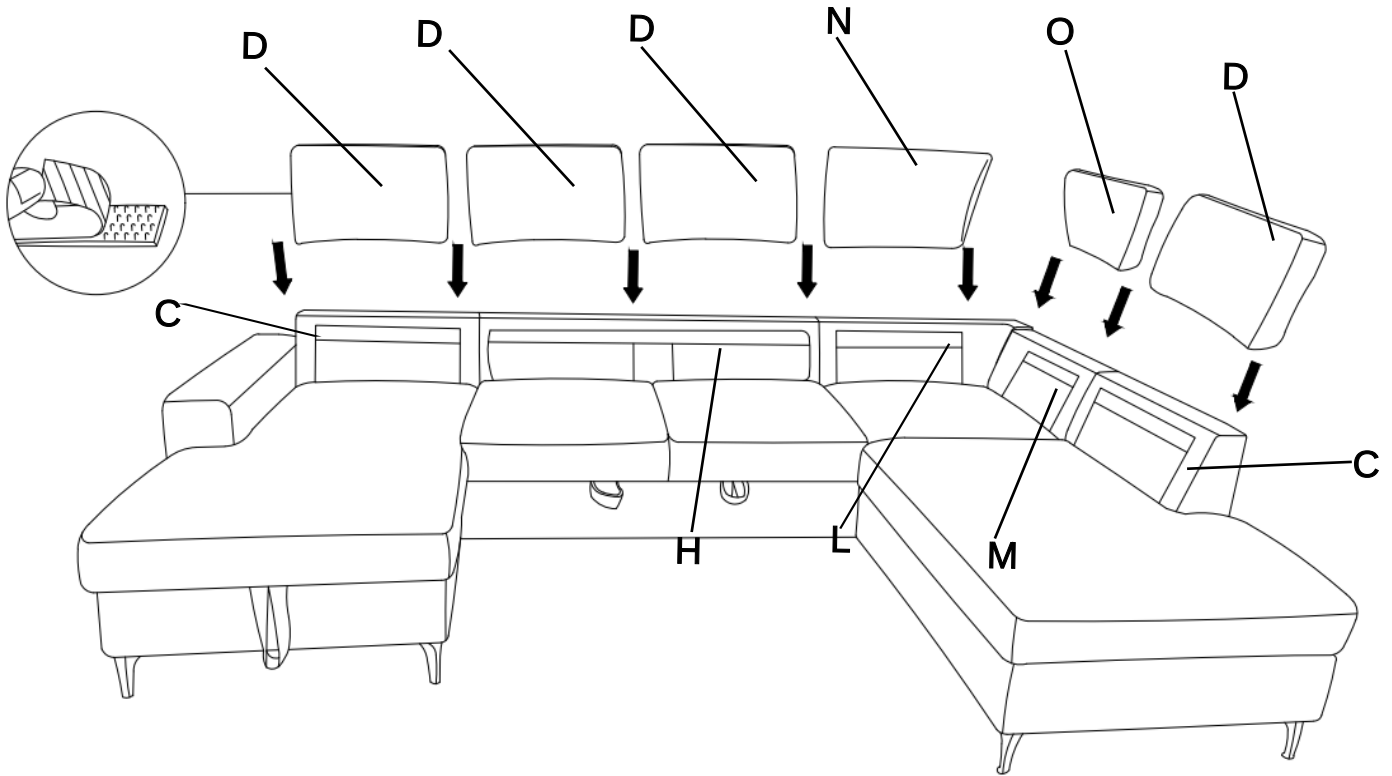

Step 13

After installation, peel off the fabric strip with Velcro on the backrest.

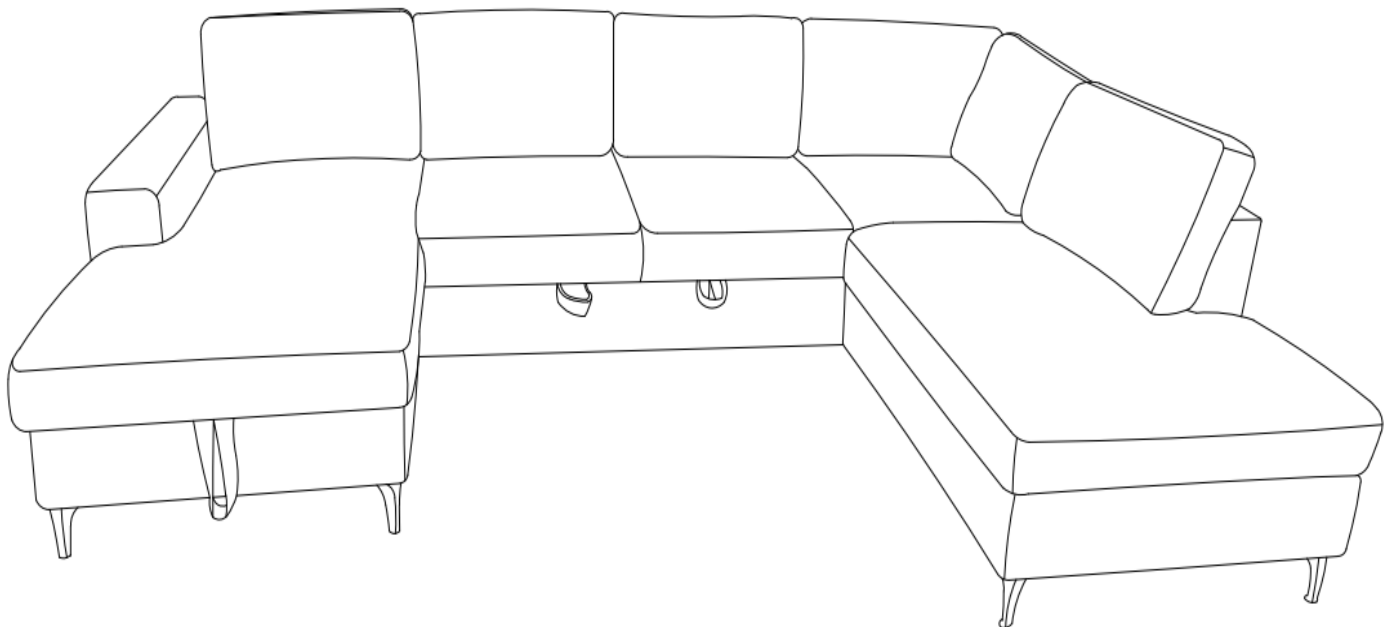

9 Sofa Assembly – Installation Steps

Step 14 Attach the padded backrest (D*4 & N & O) to the backrest (C & H & L & M & C) using the Velcro strips on the back of the padded section.

⚠️ WARNINGS

1. Please check if the components of the chair are all included and can be used normally.
2. Assemble all components according to the instruction correctly before you connect the chair to the power.
3. Please DO NOT sit on the armrests or footrest to eliminate the risk of tipping over.
4. If the chair is damaged or doesn't match the website description, please send clear pictures of the product and label of the carton to our service team for further help.
5. If the recliner doesn't work, you may try the following measures for self-checking firstly:
 - a) check if all the cables are connected;
 - b) check if the light of transformer is on.

If the chair still doesn't work, please feed the information back to our customer service in time and we will help you solve the matter as soon as possible.
