INSET WALL MIRROR

WORKSHOP

GAWMI01
H: 38 IN, W: 24 IN, D: 1.5 IN,
Antique Brass

Playing with the concept of filled and unfilled forms, the Inset wall mirror's smooth glossy surface is set within a deeply textured, bronze-plated aluminum form as if it were being poured into a void. The offset, antique brass plated aluminum pill shaped elements create a sense of sliding motion, making the mirror a uniquely modern, dynamic choice for interiors of all kinds. The Inset mirror can be hung vertically or horizontally to create unique compositions. Finished with a cleat at the back for security. Finish will vary.
