Installation instructions

SKU:BS008 | V.CK.250226

Focus on healthy and joyful life

NOTES

⚠ ENGLISH

- Please adhere strictly to the assembly instructions and use the product only for its intended purpose.
- Before assembling, inspect the product for any defects or missing components. Should you find any issues or omissions, refrain from using the product as it could lead to damage or injury. Contact us for support and replacements.

⚠ FRANÇAIS

- Veuillez suivre les instructions de montage avec précision et utiliser le produit uniquement comme prévu.
- Avant l'assemblage, vérifiez le produit pour détecter tout défaut ou accessoire manquant. Si des défauts sont découverts ou s'il manque des accessoires, ne pas utiliser le produit car cela pourrait causer des dommages ou des blessures; veuillez nous contacter pour obtenir de l'aide et procéder à un remplacement.
- **Lors de l'assemblage, veuillez serrer les vis à 70%, puis les serrer complètement.**
- Assemblez l'article sur une surface douce, plate et propre pour éviter les rayures et les dommages
- Il est recommandé que deux personnes assemblent ce produit.

⚠ ESPAÑOL

- Por favor, siga las instrucciones de montaje con precisión y únicamente utilice el producto según su finalidad prevista.
- Antes de proceder al montaje, revise cuidadosamente el producto en busca de cualquier defecto o falta de componentes. En caso de detectar defectos o ausencia de componentes, absténgase de utilizar el producto, ya que esto podría resultar en daños o lesiones. Le solicitamos que se ponga en contacto con nosotros para recibir asistencia y los reemplazos necesarios.
- **Durante el proceso de montaje, es recomendable apretar los tornillos al 70% de su capacidad y posteriormente asegurarlos completamente.**
- Asegúrese de montar el artículo sobre una superficie plana, suave y limpia para evitar cualquier riesgo de arañazos o daños.
- Se aconseja que el ensamblaje de este producto sea realizado por dos personas.

WARNINGS

⚠ ENGLISH

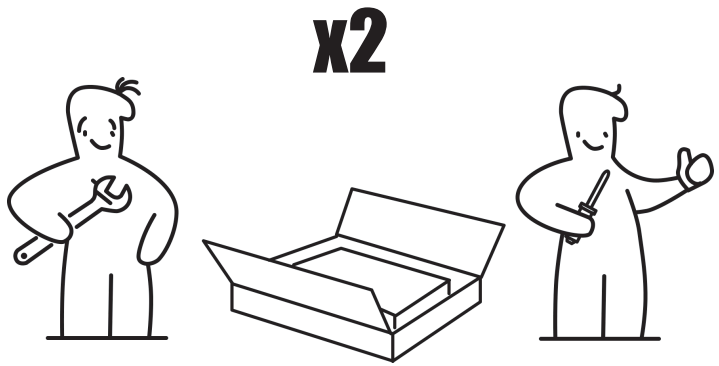

- Keep components and packaging materials out of reach from children and pets to avoid the risk of injury and choking hazards.
- To maintain the product's integrity, avoid exposure to sharp objects and corrosive chemicals.
- Open the item slowly and with caution to prevent pinching your hands with metal joints, especially important for children.

⚠ FRANÇAIS

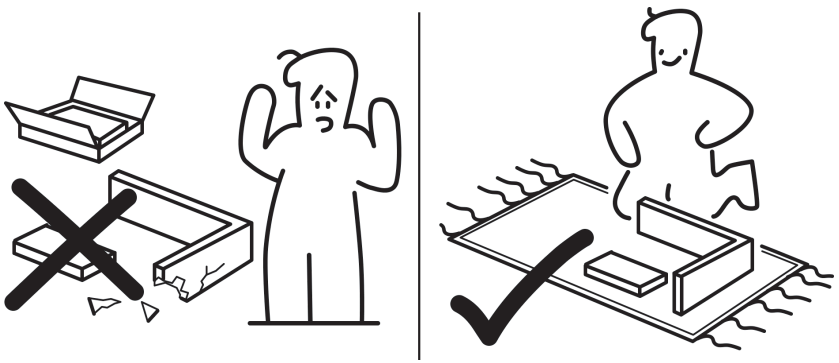

- Pendant l'assemblage, éloignez les pièces et les matériaux d'emballage des enfants et des animaux domestiques, car ils pourraient provoquer des blessures et représentent un risque d'étouffement.
- Évitez les objets pointus ou les produits chimiques corrosifs pour ne pas endommager le produit.
- Veuillez ouvrir l'article lentement et avec prudence pour éviter de vous pincer les mains avec les joints métalliques, surtout pour les enfants.

⚠ ESPAÑOL

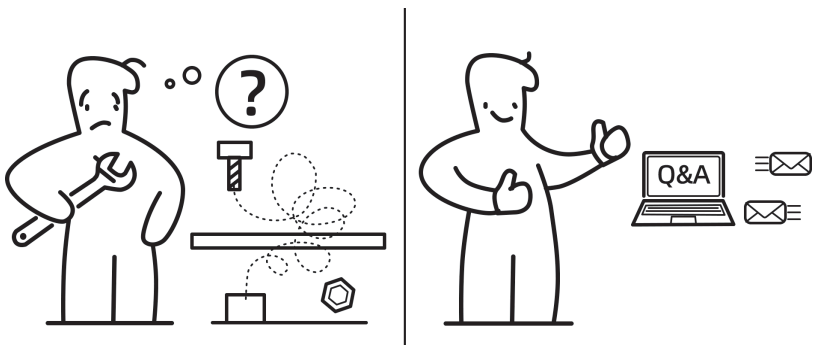

- Mantenga los componentes del producto y los materiales de embalaje fuera del alcance de niños y mascotas durante el montaje, ya que estos representan un riesgo de lesiones y asfixia.
- Evite el uso de objetos punzantes o sustancias químicas corrosivas para prevenir daños al producto.
- Al abrir el paquete, hágalo lentamente y con cuidado para evitar lesiones en las manos causadas por las articulaciones metálicas, especialmente en el caso de los niños.

For ease and safety,we recommend 2 people to assembly.

To prevent scratches and damage, assemble the item on a soft, flat, and clean surface.
