

# Assembly Instruction for Swivel Rocking Chair

1. Unpack swivel rocking chair
2. Open hardware packet
3. Turn chair over (the arms should be facing the floor)
4. Take the round base and align all 4 holes with chair (you will see 4 holes on the bottom of the chair and on the bottom of the base)
5. Start to tighten each screw one by one (as you tighten each screw you can swivel to the next hole)
6. Once all screws are tightened, turn swivel rocking chair over and start to tighten the reinforcement nuts
7. Fasten the cushion between two wooden rods on the back of the seat as shown on the picture
